DESCRIPTION

Enhance your LED lighting setup with the Accessory Pack for APS-3135A. This pack includes everything you need to mount your 1 Metre Modular Surface Mounted Aluminium Profile (35x35 mm) securely, including mounting brackets and two end caps, one of which features a hole punch for cable feedthrough. With the included accessories, you can easily join multiple lengths of profile together to create a continuous length, perfect for your LED strip with more than 60 LEDs per metre. Keep your LED strip safe and protected while prolonging its life with the help of this accessory pack.
