DESCRIPTION

Looking for an RGB LED strip that can bring a colorful ambiance to your space? Look no further! Our 12 W/m RGB LED Strip is perfect for lighting up your home, office or event. With a width of only 5 or 10 metres, it is a versatile and compact solution for your lighting needs. With 60 RGB LEDs per metre and a color rendering index (CRI) of 92, you can be sure that the colors of your space will be bright and vibrant. The strip operates on 24V and is IP20 rated, making it safe and easy to install. Elevate the atmosphere of your space with this RGB LED Strip!
