Weight (g)	960
Trade	£ 155.90

DESCRIPTION

Looking for a high-quality LED strip to enhance your lighting setup?

Our single colour LED strip is the perfect choice. With a power output of 10 W/m, IP65 rating, and 24V supply, this strip is reliable and durable. The 2200K warm colour temperature and 280 LEDs/m provide bright, even lighting, while the CRI>97 ensures accurate colour rendering. With 5 metres of flexible, easy-to-install strip, you can get started on your next lighting project right away. Order now and experience the benefits of our single colour LED strip for yourself!
