DESCRIPTION

This Single Colour LED Strip is perfect for those who want high-quality lighting. With a power of 12 W/m and an IP65 rating, this strip is both bright and durable. The 24V DC operating voltage and 3000K colour temperature provide a warm, inviting light that will make any space feel comfortable and inviting. With 60 LEDs per metre and a CRI of 92, this strip will bring out the best in your colours and materials. Measuring 10 metres in length, this LED strip provides ample lighting for even large spaces.
