Trade	£ 155.90

### DESCRIPTION

Illuminate your space with our high-quality Single Colour LED Strip! This LED strip boasts an impressive 10 W/m power output and a brightness of 280 LEDs/m for a vivid and radiant glow. With a color rendering index (CRI) of >97 and a warm 3000K color temperature, you can be sure that your space will look stunning with natural-looking colors. The LED strip is IP65 rated, making it suitable for indoor and outdoor use, and is powered by a 24V power supply. Choose from a 5 metre length for your lighting project. Order now to add a touch of sophistication and brightness to your space.
