Weight (g)	240
Trade	£ 69.90

DESCRIPTION

Get the best lighting solution for your space with this high-quality Single Colour LED Strip. With an output of 12W per metre, it provides ample brightness to light up your room. The strip operates at a color temperature of 4000K, which produces a cool white light, making it perfect for modern, contemporary spaces. With 60 LEDs per metre and a color rendering index of 92, the LED strip provides a bright and even light, making it ideal for use in a wide range of settings, from homes to commercial spaces. The LED strip is IP65 rated, meaning it is water-resistant and suitable for use in damp or wet conditions. With a 5-metre length, it is easy to install and offers versatility in design and application.
