

ONE BOW FL

Free-standing lamp white 20W 1200/1200lm
 2700/3000K CRI90 140°

Ideal for the hotel trade, catering and smaller shops: the ONE BOW FL elegantly combines flawless design and high-quality lighting. The circular lamp head emits its 1200 / 1200 lumen dimmable light in an upward and downward direction and features an adjustable colour temperature (2700/3000K). A CRI of over 90 ensures natural colour rendering, while the beam angle of 140 degrees evenly illuminates the surrounding area. And the LED service life of 50,000 hours is also exceptionally generous.
