COLLECTION 2025 | PART 2

A modern, minimalist office interior. A large window on the left side of the frame provides natural light and a view of greenery outside. On the desk, there is a laptop, a stack of books, and two lit candles. A black office chair is positioned in front of the desk. To the right, a dark-colored bookshelf is filled with books and decorative items. The ceiling features a black track with several small, round, recessed lights. The overall atmosphere is warm and professional.

» LIGHTING, VISION & TRUST

We're excited to introduce VYSN, a new name in lighting – built by familiar faces. With a shared passion for light and technology, **Jens Aertgeerts, Martijn Hendrikx, and Henning Hintzen** have come together to create a brand defined by quality, flexibility, and personal service. Our goal is to establish a known lighting brand in the next years!

» OUR APPROACH

- High-quality products – available under the VYSN brand or as private/white label solutions
- Short lines and transparent communication
- Tailored solutions with fast execution
- A focus on both function and design – always driven by our clients' needs

» WE INVITE YOU

to get to know VYSN – your **agile, dependable** partner with a strong network across GB, PoE and Asia, and a clear goal: to create meaningful value for our customers.

Learn more at [intalite.co.uk](https://www.intalite.co.uk) or reach out for a no-obligation introduction.

You can reach us via
phone and mail:

A modern, minimalist office interior. A large window on the left side of the frame provides natural light and a view of greenery outside. On the desk, there is a laptop, a stack of books, and two lit candles. A black office chair is positioned in front of the desk. To the right, a dark-colored bookshelf is filled with books and decorative items. The ceiling features a black track with several small, round, recessed lights. The overall aesthetic is clean and professional.
