

Lyrics for communal song within "Yonaoshi" performance at Mirror Gallery 7th June

Romanji

Maware, maware, maware yo
Mizu kurama maware

Mawatte ohisan yonde koi
Mawatte ohisan yonde koi

Tori, mushi, kemono
Kusa, ki, Hana

Saite, minotte, chittatote
Umarete, sodatte, shindatote

Kaze ga fuki, ame ga furi,
Mizu kurama mawari

Senguri inochi ga yomigaeru
Senguri inochi ga yomigaeru

(Translation)

Round, round, round
Waterwheel go round

Go round, and call for the sun
Go round, and call for the sun

Birds, bugs, beasts
Grass, trees, flowers

Flower, bear fruit and fall to the ground
Be born, grow up and die

Still the wind blows, the rain falls
The waterwheel goes round

Lifetimes come and go in turn
Lifetimes come and go in turn
