Mitutoyo

Confidence in Every Measurement with Mitutoyo Gauge Blocks

Now including a **free calibration certificate*** ensuring accuracy & traceability from day one

Eligible models include ceramic and steel gauge blocks in sizes ranging from 0.5 to 100 mm and 0.05 to 4 inch, in Grades: 0, 1 and 2.

***Terms and Conditions:** The calibration certificate is issued under SINGLAS or Mitutoyo standards. The certificate will bear the name and address of Mitutoyo Asia Pacific and include calibration and issuance dates. Valid until further notice. For the applicable gauge block sizes and latest information, please consult your local Mitutoyo branch.
