Hi,

If you haven't heard yet, the LWVMN web site has moved. Our new URL is WWW.LWVMN.ORG. In addition to an easier to remember address, we now have a new "Member Resources" section. It includes a lot of information of interest to League members. Please check it out and send me your feedback.

If you would like to be listed in the member list, or if you are a member of a committee that is either not listed or that you are not listed as a member of, please let me know. Also, think about what information would be useful to you. We'd like it to be as complete as possible.

Another benefit of our new site is that we will be able to have local League's pages on the state's site. I will be working with one League at a time to add your pages when you are ready. If you already have a site, we will continue to link to that site. Sample pages are included in the "Member Resources" section with instructions on creating a simple page. I'd appreciate feedback to improve the documentation. I'm also considering holding a workshop session on creating web pages this winter. Let me know if you would be interested.

I'm also verifying e-mail addresses from three sources: the state League office's database, the member list on our web site, and lwvmn-share. If you received more than one copy of this message, recognize one of the addresses in the 'to' list as an old one, or have an alternate address that should be used, please reply using your current address and let me know what the old address is so that it can be corrected.

Also, please check the lists of local Leagues (one in Local League name order and the other in community name order) on the "Contact Us" section to be sure that the contact information is still valid. Please send me any corrections or additions.

I am also compiling a list of Candidate Forums. You can find the list in the "What's New" section. Please let your Voter Service Chair/Committee know, and have them send me information as you set up your Forums. When we have enough listed, I will send an announcement to several list-serves to promote the site.

I hope you find these changes helpful. Thank you for your help in keeping our pages up to date.

Thanks,
Ady Wickstrom

LWVMN MODERATORS LIST - 1996

This list is compiled from the moderator forms and voter service assessments that local Leagues have returned to the LWVMN office since 1987. If you know moderators, including yourself, who are not listed, please consider adding that name to our file. We all need to have moderators from outside of our own districts and it is a big help to know who has some experience and lives reasonably close to our League.

Listing your name doesn't imply that you are willing or able to fill most requests to moderate, but it does mean that you are willing to consider the job if you are called. Please let us know if there are names to be removed, added, phone number errors, or misspellings. Thank you.
