

A Better Home -- A Better Life

in this
National Home Week Offering

ON NORTH RIVER DRIVE

WE'VE SELECTED THIS HOME OF AGELESS BEAUTY AS OUR NATIONAL HOME WEEK SHOWING BECAUSE WE THINK IT IS THE DREAM HOME OF ANY AMERICAN FAMILY

The sturdy stability of fine English architecture is molded into a riverside setting that captures a magnificent view.

Stately trees, a fortune in perennials and flowering shrubs are already planted for you.

The 32-foot carpeted living room is designed to best show your furniture . . . the wide windows bring to your chairside all the beauty and majesty of the Mississippi river.

Your children will LOVE hanging Christmas stockings on the 2 fireplaces (one in the living room, another in the lower level finished rec room). There is much bonus living in the daylight basement level also overlooking the river . . . and a workshop with plenty of room for family hobbies.

You'll like the step-saver kitchen with an easy-to-clean floor and banks of birch cupboards. There is a bright dining area to start your day on a pleasant keel. The dining room is right for family meals and Holiday entertaining.

Three well-ventilated bedrooms will accommodate matched bedroom sets . . . and there are 2 colorful baths. Generous storage space and big closets are part of the good overall planning in this home.

A cement drive leads into the attached double garage.

See the spacious dignity of this home and buy it far, far below its replacement cost.
