Dear Ken:

I really have been enjoying the sauce you sent and thanks again for remembering me.

Marianne has been dipping her green beans in the spicy since she can not have fats or mayo. on her food.

Sorry, I took so long to get back to you, but thanks again.

Sincerely,

Jay & Marianne

Dear Ken,

The UPS truck just left your package and I did the official, initial tasting. UmmmmmUmmmmmUmmmmm GOOD!! When Milt got home and sampled it, I thought he was going to put it on everything...including his dessert.

It is delicious! Thanks a million for remembering Milt. He will get in touch with you. He is such a procrastinator when it comes to writing...this note will hold tight until he gets around to writing.

Thanks again. Will keep in touch.

P.S. There is something about people who live in Minneapolis. Everytime Milt comes home from there he is on a new high that adds a few more months to his life span...and a few more pleasant memories. Friends like you are helping to make it possible for Milt to give Eubie Blake a run for the record. (smile) Thanks, again.
