bring the Cher down & take Roger
& Mrs King & the baby home -
Found all well at home & I had to
hurry to take my permanent.
Then we came up here about 6 P.M.
Sarah came up with the Kings &
got her sick & threw up all over before
they could get her out!

We have the same cottage as last
summer - Sarah sleeps alone in
the small room at the left of the
big room & we have the same one.
Roger, Mary & Sam the one back of ours -
and my precious little room
is empty! My you just have

No idea how terribly I miss you -
I have never had a more wonderful
time that I had with you - I only
wish that last 30 - we could have
been alone together - but it seemed
the only time to have Betty, Jane & Betty.
Betty just raved about you and
I how pretty you look now & just
couldn't get over how darling you are.

Last night we had the most awful
thunder storms so none of us had
much sleep. We shall go to bed early -
Mary says to give you her love
& to tell you how much she
wishes you were here. - Roger says
to tell you to draw & try to make
who required of him show you as!

We decided to drive in to see the
morning - it was so wet & the road so
bad & snow covered all the way - the men
went - and I had to sit fast right -
the passengers are bad & the children so
tired of -

I called up Mrs. Loomis this morning & the
Ans. to tell her to tell Mary Francis -
I told her you had her written by W. F. for
her. She has the rule - the beautiful flowers
all about you & your plan -
I saw about three & four minutes as the station
men in arrival. She was so happy to see me

about you - Am sorry she can't be up
here with us -

Wm & Sarah Jan just come in from
Fishing & they caught 3 little Croppings
& they were so small they had to throw
them back -

I took a few sheets of the paper
so it comes in handy -

My but I love you too for

Little Falls, Minnesota

Dearest Bessie,

So glad you're having such a
good summer too - I miss having
you here dear but will see you
in Pittsburgh this fall.

It's so wonderful to be home and
really out of it.

Room mother is in bed with a
bad cold today but the Dr. is
giving her penicillin to break it
up -

Sarah & Helen & I all went
to church - Helen asked if the
collection money was for the
poor people. Then why did they
play music at church - She is
a scream and so full of

fun.

Sam has joined the Gatchell
bays and is helping them with
the truck garden - he cuts corn
in the field every day & Sat.
morning I took him up to

the farmers' market at 6.30 a.m.
where he helped them sell
corn. He was in blue jeans
and wasn't dressed up -

The baby walks so well and
is furious when we try to
put him back in his play
pen - his hair is still very
curly.

We are staying on longer
and will go up to his address
Aug. 7 for one week - will

only take the three children.
It is such a treat to be at
the lake and even Helen has
almost learned to swim -
Sarah & Sam ride horseback
every day and are getting to
be good riders.

I've gained four pounds as
I'll have to stop eating -

You're so dear and I
am so looking forward to
seeing you this fall -
Dearest Love -
Mama -
