History of Memorial

★ ★ ★

Naval Memorial Rock, Lake Street on the Shores of Lake Calhoun, was unveiled and dedicated on May 30, 1922, by the local unit of the Women's Naval Service, Inc., The Navy Mother's Club, and other patriotic organizations. Thereafter Memorial Day Services have been observed annually at this plot.

Minneapolis Navy-Marine Post No. 472 of the American Legion with the cooperation of the United States Navy Department in 1922, secured the Ship's Bell of the former U. S. S. Minneapolis. In 1930 the Memorial Mast was donated and erected, and during the Memorial Day ceremonies of that year the Ship's Bell was unveiled as a permanent mounting of the mast.

To preserve this Memorial to posterity, there was dedicated on May 30, 1931, and permanently attached to Memorial Mast, a Bronze Plaque to the memory of those Sailors and Marines who lost their lives in the World War.

Through the cooperation of the Memorial Day Association, the United States Navy Department and Minneapolis Navy-Marine Post, the steering wheel of the former U. S. S. Minnesota was acquired, and on May 30, 1932, was presented officially to Minneapolis Navy-Marine Post by the United States Navy Department in honor of the Sailors and Marine dead. This wheel was permanently mounted and presented to the City of Minneapolis during the Memorial Day Ceremonies of 1933.

In 1934, a Spandau machine gun which saw service with the U. S. Marines at Belleau Wood was presented to the Navy-Marine Post for future mounting and dedication.

The Marine Memorial, supporting a plaque on which are inscribed the names of 144 Marines who gave their lives for their country, was transferred from the University of Minnesota Campus to this plot and presented by the Minnesota Marines to the Minneapolis Park Board, on Memorial Day, 1936.

President's Letter

Dear Club Members:

As I know all of you better and have seen the breadth of your interests and the extent of the contributions you and your families are making to the life of the community, I have come to feel that the very lifeblood of a big, busy city at war pulses through the arteries of the College Club. Herein lies an important value for each of us. We can join in the discussions in the sections and around the luncheon table, contribute our opinions, and gain from other educated women who are doing worthwhile things inspiration for our own tasks.

We can justify the efforts to keep the club functioning in these days only if it serves as a place for clarifying our thinking and for sending us out with better perspective to make the "whole-hearted, sacrificial effort toward victory," to which the American Association of University Women has pledged itself. The program will present vital community and world problems in the sections and in the afternoon and evening meetings. We need your participation.

We extend a hearty welcome to you who are new members. Please find the groups that are of especial interest to you and really belong.

Let's make this an outstanding year in the history of the Club.

Cordially yours,

Louise Chandler Fletcher

Membership Notes

Mrs. Lloyd Griffin, Membership Chairman
Hopkins 9401 (no toll)

As we begin our club year we are again fully aware of the privilege which enables us to support a constructive program based on a belief in intelligence and education. Let us extend this privilege to other college women in the community. Many women who are new in the community will find our club a source of new friends and its program a stimulation in meeting daily demands. Do not overlook your older friends too, whose interest in the club may be awaiting an invitation from you.

Please bring prospective members to the opening tea on October 4th or submit their names to the Membership chairman. Those who join now will benefit through participation in a full club year.

Initiation fee of ten dollars is waived for the following:

1. Service men's wives who are eligible to membership.
2. Transfers in good standing from other A.A.U.W. groups.

Foreign Policy Meeting

Of interest to all College Club members is the Foreign Policy Association meeting Friday, October 15. McDonald, former head of the organization and now head of the Brooklyn Institute, will speak. Also as an added attraction, John Gunther may appear if he has returned to the United States by that time. Put down the date and get up a party of friends. Watch the newspapers for the place of meeting.

Education . . . a keystone of our liberty

"Every government degenerates when trusted to the rulers of the people alone. The people themselves are the only safe depositories. And to render even them safe their minds must be improved. . . . I think by far the most important bill in our own code is that for the diffusion of knowledge among the people . . . no other sure foundation can be devised for the preservation of freedom and happiness."

BROTHERHOOD
Tune: "Materna"
("America the Beautiful")

O land of lands, America,
The friend of faith and truth,
O freedom, justice, peace and love,
The hope of age and youth,
Guard that which God hath given thee,
Thy wealth all wealth above—
The faith in true democracy,
In brotherhood and love.

The blood of pilgrim nations here
Commingled flows in thine.
The hopes of martyrs, saints and seers
Shine in thy faith divine.
In thee God's world-wide fatherhood
Binds races into one,
While science, labor, art and life
All pray: "God's will be done!"

O God, the Saviour of mankind,
Make false divisions cease!
May all who love Thee work and pray
For brotherhood and peace!
One nation indivisible
We raise our hymn to Thee,
Until one fellowship of love
Shall stretch from sea to sea.

THE CITY OF MAN
Music by Frederic M. Lee

The Poets have dreamed of a City of God
Where the night is as fair as the day,
Where sorrow and crying have winged their
swift flight,
And earth's tears have been all wiped away.

But a City of God in a Kingdom of dreams,
Like the silvery gleam of some star,
Is far from the City of Man that we know
In the Kingdom of things as they are.

For a mantle of grief like a deep purple pall,
Is spread o'er the lives of the poor;
And childhood and age face the spectre of want,
With the footfalls of death at the door.

Yet the City of God is not far away,
Like some glittering light that we scan.
We are building the City of God ev'ry day,
When we serve in the City of Man.

The gold in the streets of the City of Man,
With its shadowing pain and its needs,
Is the gold of our love for the lives that are
crushed,
And the glint of our own golden deeds.

The Fate of the Prophets

Alas! how full of fear
Is the fate of the Prophet and Seer!
For evermore, for evermore,
It shall be as it hath been heretofore;

That makes their foreheads bright,
Nor the sublime

Morning Worship Nine-Thirty and Eleven O'Clock

Let each one, upon entering his pew, bow his head in a brief period of silent prayer and meditation.

Preparation for Worship

Scripture Sentences

In the beginning was the Word, and the Word was with God, and the Word was God.

John bare witness of Him, saying, He that cometh after me is preferred before me.

Behold the Lamb of God, which taketh away the sin of the world.

Prayer of Preparation

Our Father, make us witnesses of Thy Son, Jesus Christ, even as John of old witnessed to the greatness and redeeming power of the Saviour of the world; give us courage to choose the hard right against the easy wrong; make us stalwart members of Thy Kingdom, that it may grow in this Thy day, glorious and triumphant. Amen.

Scripture Reading—from Isaiah 40

The voice of him that crieth in the wilderness, Prepare ye the way of the Lord, make straight in the desert a highway for our God. Every valley shall be exalted, and every mountain and hill shall be made low: and the crooked shall be made straight, and the rough places plain: and the glory of the Lord shall be revealed, and all flesh shall see it together: for the mouth of the Lord hath spoken it. The voice said, Cry. And he said, What shall I cry? All flesh is grass, and all the goodness thereof is as the flower of the field. The grass withereth, the flower fadeth: but the Word of our God shall stand forever. O Zion, that bringest good tidings, lift up thy voice with strength; lift it up, be not afraid; say unto the cities of Judah, Behold your God!

A Message from Our Ministers

DEAR FRIENDS: You have stood by, loyally and helpfully, during the weeks that Dr. Raines has been away in the Army Camps. We know your loyalty to the church and to the Kingdom of God has prompted your spirit of good will. We are more than ever convinced that the present and future welfare of our church is in the hands of great laymen. The responsibilities we have undertaken in keeping the regular plans and services active and vital have been undergirded by your constancy and faithfulness, and we are genuinely grateful. We know you will be in your place next Sunday to welcome Dr. Raines as he returns to the pulpit.

Your servants,

LAURENCE E. NYE

Will Durant Lecture

We are pleased to welcome back to our Lecture Course Platform Dr. Will Durant, who will be the second speaker on the current Lecture Course Program on Tuesday evening, November 16, at 8 p.m. Dr. Durant's subject will be, "A Philosophy of Life for Our Times." Dr. Durant has spoken to us on two previous occasions and is regarded as one of America's leading philosophers and historians. Because of his incisive wit, his polished epigrams, and above all, his profound observations on contemporary life, he has frequently been compared with Voltaire. He is the author of several books, the best known of which are, "The Story of Philosophy," and "Story of Civilization," two parts of which have already appeared. Dr. Durant's greatest contribution as an historian and writer has been that of giving a complete and impartial picture of his subject in terms of what is significant to the contemporary scene.

The Lecture will be preceded by an Organ Recital by Mr. Fredrickson, beginning at 7:30 p.m.

Note

The Dorcas Circle is assisting Mrs. Herman this evening with the University of Life Supper.

Special Christmas rates for magazine subscriptions and renewals are still available through the Junior Guild. Call Mrs. Charles S. Hoyt, Wa. 6687.

New Member Meetings

The first of a series of four meetings to acquaint prospective members with the history, ideals, program and personnel of the Church, will be held on Wednesday, November 17, at 7:45 p.m. in the Art Room. Subsequent meetings are scheduled for Tuesdays, November 23, 30 and December 7. Those interested in joining Hennepin Avenue Church on December 12, are requested to fill out information cards accordingly, which are to be found in the pews.

University of Life

Another fine program is planned for this evening in the University of Life. Mr. Al Jordan of the YMCA will lead the singing in the Social Hall, and Mr. Hubert H. Humphrey will bring the Chapel message. All young people, senior high through age thirty five, will find a cordial welcome any time between the hours of 5:30 and 8:30.

Thanksgiving Baskets

Thanksgiving Baskets are to be prepared this year for the needy shut-ins of our church. Parents of Church School children are requested to cooperate with their youngsters in making contributions of food, in either rationed or unrationed articles, the gifts to be brought to the church on November 21. Preparation and distribution of the baskets will be under the leadership of Mrs. T. E. Parkhill.

Crypt and Chancel

In order to invite a larger part of the Church membership to participate in the Club programs, the Crypt and Chancel Players are forming a new group, The Crypt and Chancel Theatre Workshop. Many phases of dramatic work will be offered with this new experiment. Members of the congregation who are interested may leave their names in the Church office or call Miss Carolyn Joyce, Ke. 4382. A forthcoming play will be announced soon in the bulletin.

Post War Forum

The concluding lecture and discussion on Post War problems will take place at 7:45 next Thursday evening, November 18, in the Social Hall. Dr. Arthur Uggren, popular speaker from the Federal Reserve Bank, is to be the discussion leader. You are cordially invited to participate in this final meeting.

Notes

Orders for Christmas greeting cards and wrappings may be placed through the Myrle Bradshaw Circle by calling Mrs. Anthony Bayer, Gl. 5865.

The Lucille Raines Circle will hold a rummage sale at 304 Marquette Ave. on November 16 and 17. Anyone wishing to contribute articles for the sale may call Mrs. Warren Thomas, Wa. 5245, or Mrs. R. L. Dunton, Re. 3050.

Each year, Methodist families across the land place their subscriptions for the one paper which interprets and creates Methodist opinion in America. Every Hennepin family should have “The Christian Advocate” in their homes. The Club rate is \$1.50 per year. Please write on the envelopes provided in the pews the information requested, enclose the money, and place on the offering plate. Your promptness in organizing the Advocate Club for Hennepin Avenue Church will be appreciated.

UNIVERSITY OF LIFE

Come! Peace of God, and dwell again on earth,
Come, with the calm that hailed Thy Prince's birth,
Come, with the healing of Thy gentle touch,
Come, Peace of God, that this world needs so much.

Come! Blessed Peace, as when, in hush of eve,
God's benediction falls on soul who grieve;
As shines a star when weary day departs,
Come! Peace of God, and rule within our hearts.

NOTES

We hope everyone who is an enrollee in the University of Life will see to it that he has signed a pledge card and is determined to help carry the financial program of this anniversary year. The response so far has been excellent, but we would desire to have our whole membership get under the load. It is one way in which you can all serve.

"District Cooperation"

A group of our members were in attendance at the sub-district rally this afternoon at Hobart Church. Our cabinet has gone on record as favoring our full cooperation and support of the plans and program as carried out by our Minneapolis District officers. The mid-winter Institute at Camp Ihduhapi will be a high point in fun and study as a city wide group. Other worthwhile programs will be in the offing through the winter and spring months.

"Dr. Raines Returns"

Dr. Raines will return this coming week from a four weeks tour of Army camps in the midwest and south. He has had unusual and profitable experiences, and we shall desire to have a fire-side hour with him as soon as he can spare the time upon his return. In the meantime, plan to greet him in the sanctuary next Sunday morning, and again in the doings of our regular program in the evening.

"Church Membership"

A new class of members-to-be will meet in the Art Room this coming Wednesday evening for their first preparatory meeting together. If there are any in the University of Life who would like to become members of Hennepin Avenue Church, and have not been contacted by a minister, please indicate to us tonight your interest, and we shall happily include you.

DEAR OLD MACALESTER

Russian National Anthem

Dear Old Macalester
Ever the same; to those whose hearts are thrilled by thy dear name.
Cherished by all thy sons, loved by all thy daughters,
Hail! hail to thee our college dear.

We are in word and deed
Thy champions,
For thee we'll fight and pray,
In all thy needs.
Forward to prominence,
March forever onward,
Hail, hail to thee,
Our college dear.

Thy name shall ever be,
Our guiding star;
Thy children shall proclaim
Thine honor far.
Ever our hearts to thee
Cling with deep affection.
Hail, hail to thee,
Macalester.

HAIL UNITED!

We're the lads from north of Portage,
Watch our dust!
Brains or muscle we've no shortage.
Win or bust.
Fairest gals in all creation,
Here have we.
Finest College in the nation,
Send us out to victory.

Chorus

Raise the roof for old United!
Tell the world that she's the best
Nowhere else our faith is plighted
In the land of East or West.
We could never love another,
Better College could not be,
Fill your lungs and roar, my brother,
Hail your academic Mother—
Here's to old U. C.

Coda

Katana, Katana, Katana, Kasula, Kasaw!
United! United! Katana, Katarah, Kataw!
Wesley! Toba! White and Red!
Ever leading, never, never led!

IVLI NIANI

SONG FROM GITANJALI

Where the mind is without fear and
the head is held high;
Where knowledge is free;
Where the world has not been broken
up into fragments by narrow
domestic walls;
Where words come out from the depth
of truth;
Where tireless striving stretches
its arms toward perfection;
Where the clear stream of reason has
not lost its way into the dreary
desert sand of dead habit;
Where the mind is led forward by
thee into ever-widening thought
and action --
Into that heaven of freedom, my
Father, let my country awake.

Rabindranath Tagore

PSALM LXVII

God be merciful unto us, and bless us; and cause his face to shine upon us; Selah.

That thy way may be known upon earth, thy saving health among all nations.

Let the people praise thee, O God; let all the people praise thee.

O let the nations be glad and sing for joy; for thou shalt judge the people righteously, and govern the nations upon earth. Selah.

Let the people praise thee, O God; let all the people praise thee.

Then shall the earth yield her increase; and God, even our own God, shall bless us!

God shall bless us; and all ends of the earth shall fear him.

Our Invitation

To all who mourn and need comfort—to all who are weary and need rest
to all who are friendless and wish friendship—to all who pray and
to all who do not, but ought—to all who sin and need a Savior
and to whosoever will—this church opens wide its doors
and in the name of Jesus, the Lord, says:

Welcome

SUNDAY, JANUARY 30, 1944

PRELUDE

CALL TO WORSHIP:

Sing praise to God with all your hearts; always give thanks for everything to God our Father, as followers of our Lord Jesus Christ.

INVOCATION:

O Father God, we give Thee thanks for thy manifold blessings-- blessings too many to count. May we grasp thy hand more firmly and walk with Thee in selfless service, realizing the joy of Thy most precious gift, kinship with Thee. Amen.

HYMN NO. 59 "Ancient of Days"

PRAYER in unison

O God of Youth and of Age, who canst give us courage for the day, grant that we may not flinch before any of the privileges of being thy disciples. Keep us from lowering our standards either from hope of gain or fear of loss. Teach us wisdom and truth, then grant us courage to be loyal to it, willingness to sacrifice for it, ability to stand with thee alone, if need be, that we might be worthy followers of him who was faithful to thee above all things. Amen.

In heathen lands credit is almost unknown. In America 90% of our business is done on credit. It is because here we have faith in each other. That faith is well founded because we are a Christian nation. Take out Christianity and modern civilization would collapse. Remember that Liberty is not the only thing we must save. We must preserve our church.

The Board of Directors and Staff of the Young Women's Christian Association of Duluth present their annual report to the members of the Association.

PURPOSE

To build a fellowship of women and girls devoted to the task of realizing in our common life those ideals of personal and social living to which we are committed by our faith as Christians.

In this endeavor we seek to understand Jesus, to share his love for all people, and to grow in the knowledge and love of God.

The girl on the cover who tells us that the Y.W.C.A. of Duluth was alert to community needs in 1943 does not tell a new story. The Y.W.C.A. has been practicing this alertness for 43 years and seeking with varying degrees of success to meet the needs discovered.

More than two years of war have made their impact on all citizens; yet girls' needs are basically the same, war or no war. Girls need friends, fun, satisfying work, a decent place to live, faith in the ultimate triumph of right. War intensifies these needs; the demands of the emergency put new and increased strains upon young women. The Y.W.C.A. has speeded up its programs on physical fitness, recreation, housing and personal counseling to keep girls fit for the demands of their work and for meeting their personal problems. Such program, with its training in democratic ways of work, is a vital part of the woman-in-war effort. The many and varied program activities and services have been motivated, as always, by the unchanging Christian purpose of the Association.

There has been considerable turnover in the groups, due

to girls who have left town for the various uniformed services or for war jobs; due also to restlessness and resulting shifting of interests. Groups have wanted more informal program than heretofore and have done a great deal of service related to the war, such as Red Cross, U. S. O., hospital work, etc.

The Y. W. C. A., through its Board, Committees, and Staff has worked closely with other community agencies on such problems as juvenile delinquency and day care of children of working mothers; has cooperated on community projects like the War Fund Campaign, Bond Drives, Civilian Defense programs, Christian Mission, etc.

The Y. W. C. A. faces the new year with appreciation of the understanding and support of the community. It accepts with humility the urgent challenge to make its services more adequate and far-reaching than ever before.

The following pages give a brief summary of the women and girls who came to the Y. W. C. A. during 1943 and how the Y. W. C. A. has tried to meet their needs.

5.

GIRLS AND WOMEN WHO HAVE SOUGHT THE YWCA IN 1943

- Children under 12, some of them "door key children", came to play, to learn to swim, to find leadership to help them grow.
- Junior High and Senior High School Girls sought friends, understanding, advisership, fun, and an answer to the fundamental "need to be needed".
- Campers, 8 - 18-year-olds, came from Minnesota, Iowa, Wisconsin and North Dakota for vacation fun, an experience in cooperative living, and a chance for fellowship in a new environment.
- Employed girls from business establishments, homes, and industries sought fun and friends, release from tension, a new outlook on life, a medium through which to serve, widened knowledge, a chance to develop their capacities for leadership, and help with their work problems.
- Girls and women of all ages, seeking to keep physically fit for the demands of these busy days, came for a balanced health and recreation program, for a health exam, and for activities to improve old skills or to learn new ones and for relaxation.
- New Americans in Duluth came to the International Institute for friendliness, to play with others, to learn American ways, to work toward citizenship. People of various nationalities, races, and creeds participate without difference at the three centers of the Branch.
- Negro girls and women came to meet new friends, for leadership expression, for self improvement and recreation and to help promote interracial understanding.

6.

- Young women and girls, chiefly newcomers in the city, came for a place to live, for companionship, for the protection of the "Y" while they retained their independence. Transient strangers sought short-time homes.
- Community groups came to find a place for meetings, - to play, to work, to plan.

Travelers, - crowds of them - of every description, sought advice, rest, information, and travel accommodations.
- Adventure-seeking girls trying to find their soldiers or sailors, wives wishing to join husbands working in the shipyards, and women out of employment came for temporary help while making their adjustments.
- Volunteers came to carry responsibility and to render invaluable community service in the war effort.
- Membership
Many of the above-named women and girls and many others came for the privilege of belonging to an organization which is a part of a great national and international Christian woman's movement with a purpose which inspires and a program which demands the best one has to give.

BATTLE HYMN OF THE REPUBLIC

Mine eyes have seen the glory
Of the coming of the Lord;
He is trampling out the vintage
Where the grapes of wrath are stored;
He hath loosed the fateful lightning
Of His terrible swift sword
His truth is marching on.

Chorus:

Glory, glory, hallelujah!
Glory, glory, hallelujah!
Glory, glory, hallelujah!
His truth is marching on.

I have seen Him in the watch-fires
Of a hundred circling camps,
They have builded Him an altar
In the evening dews and damps,
I can read His righteous sentence
By the dim and flaring lamps;
His day is marching on.

ALOHA OE

Proudly sweeps the rain-cloud o'er the cliff,
Borne swiftly by the western gale,
While the song of lovers' parting grief
Sadly echoes amid the flowering vale.

Chorus:

Farewell to thee, farewell to thee!
The winds will carry back my sad refrain;
One fond embrace before we say good-bye
Until we meet again.

Sweet the thoughts I bear away with me
Dear memories of the happy past;
And tho' now we whisper, fare-thee-well,
Yet we know we shall meet again at last.

HOME ON THE RANGE

Oh, give me a home where the buffalo roam,
Where the deer and the antelope play,
Where seldom is heard a discouraging word,
And the skies are not cloudy all day.

Chorus:

Home, home, on the range,
Where the deer and the antelope play,
Where seldom is heard a discouraging word
And the skies are not cloudy all day.

How often at night where the heavens are bright
Where the lights from the glittering stars,
Have I stood there amazed and asked as I gazed,
If their glory exceeds that of ours.

JEANIE WITH THE LIGHT BROWN HAIR

I dream of Jeanie with the light brown hair
Borne like a vapor on the golden air,
I see her tripping where the bright streams play,
Gay as the daisies along her way,
Many are the fond notes her merry voice would
pour,
Echoed by the birds in the grove o'er and o'er.
Ah! I dream of Jeanie with the light brown hair
Afloat like a vapor on the soft summer air.

FAITH OF OUR FATHERS

Faith of our Fathers, living still
In spite of dungeon, fire and sword,
O how our hearts beat high with joy
Whene'er we hear that glorious word!
Faith of our fathers, holy faith,
We will be true to thee till death.

Faith of our Fathers, we will love,
Both friend and foe in all our strife,
And preach thee, too, as love knows how,
By kindly words and virtuous life.
Faith of our Fathers, holy faith,
We will be true to Thee till death.
