RE: IMPROVING GEOGRAPHIC INDEX OF SPEECHES

Attached please find additional listings for the Geographic Index. Not all of these events carried a SPEECH, but as far as the "geographical" part goes, this should be it.

Your Geographic Index should be corrected under California, Feb. 21, 1965 - Jewish Theological Seminary - Hollywood. The event was in Hollywood, Florida ; under Maryland, March 28, 1966 - Stepping Stones to Mars Conference was cancelled and under New York, March 29, 1967 - The Freedom House Banquet. The Vice President was in Europe during this period.

The University of North Carolina (Feb. 28, 1967) is located in Chapel Hill, N. C.
