Dear Mr. Humphrey,

We are very pleased that you are participating in our annual CAREER DAY program, Tuesday, March 27th. Your part in the program is as follows:

Conference: Careers in National Service -- Politics

Place: Student Union, Main Building

Time of day: 9:30 -11:20 a.m. and 2:00-3:20 p.m.

Faculty chairman: Dean Margaret Doty

Other speakers: Dr. A. M. Christensen, University of Minnesota
Miss Lorraine O'Donnell, U.S. Civil Service Representative
Lt. Elda Martin WAC, Cpl. June Rotegard WAC, Ensign Mildred Mohun

The conference is so organized as to allow ample time for students to ask questions. In the past this question period has proven most helpful.

The students will be chiefly girls, since the boys are now outnumbered five to one! Many of them will be freshmen and sophomores whose choice of a career is still quite uncertain. They need facts -- what the job involves, the needed training, the advantages and disadvantages, the prospect financially. We would be especially glad if you could help these young people see more clearly the prospects for the future. They are much concerned about their chances after the war. Any facts about postwar trends would, therefore, be very appropriate.

You are cordially invited to two other events of the day:

At 11:30 in the Gymnasium (Snelling and Goodrich), a convocation address by Dr. Harry Overstreet, "Youth's Adjustments to Tomorrow's World"
At 12:30 in Wallace Hall (Summit and Macalester) a luncheon for the speakers. Please use the enclosed reservation card.

If printing schedules permit, we will mail you a copy of the printed program prior to March 27th.

With best wishes, and sincere thanks for your help.

Yours truly,
