

ARRIVAL STATEMENT BY VICE PRESIDENT HUMPHREY

Mr Vice Chancellor

COLOGNE/BONN ---- WEDNESDAY, MARCH 29, 1967

amb - Mc Gee

Mrs. Humphrey and I are pleased and honored to be on the soil of the Federal Republic of Germany and to bring with us the good wishes and friendship of the American people.

During the next two days I shall be meeting in Bonn with American ambassadors and ranking officers from our Embassies in the Soviet Union, Western and Eastern Europe, and Canada. We shall be

examining problems and policies which both the United States and Germany share as firm Atlantic partners.

Mrs. Humphrey and I shall return to the Federal Republic again next week for meetings with members of your government.

We very much look forward to that visit.

Thank you for the welcome you have given us. It is good to be

among friends.
