If you wish to accept our offer and are in Grand Rapids, we would make arrangements for recording your response..or, if you wish, feel free to send us your audio taped response.. or, telephone us at area code 616-459-1919 and we will record your response.

All responses received from all candidates on our Michigan ballot will be aired May 14th..just prior to the May 16th primary. If we could receive your response by May 12th, it would be appreciated.

This station is offering you five minutes to answer this question: "What is, or are, the major issue(s) in this primary election year, and what do you propose to do to resolve the issue or issues?"

We suggest that you consider the following outline for your remarks, and then let Steve Doyle record for five minutes. We suggest not more than a couple of sentences on each of the subjects.

Please tape 5 minutes of remarks from the Senator -- we've sent him an outline for what he might say.

Then, mail the cassette to: WOOD Radio

For your reference, we've telecopied to you the letter from WOOD. As you can see, they'd like the cassette by May 12 -- for their convenience, you might enclose the copy of their letter with the tape.
