The minutes of the last meeting were read and approved.

The financial report of the week was read and referred to the auditing committee.

The matter of the Committee's banking was discussed and referred to Mr. Calderwood with power to act.

There was a somewhat lengthy discussion of the advisability of sending out a large number of letters to our people of the state urging them to bring pressure on their legislative representatives in favor of the Prohibition measure now before the Senate and soon to be introduced in the House.

Mr. Stromme moved that the committee send out 2000 of such letters. Mr. Kalnes supported the motion and it passed.

Mr. Stromme reported on the St. Paul banquet and told of some difficulties in the way of settlement.

Mr. Kalnes moved that Messrs Calderwood and Stromme be empowered to settle with the Ryan management on a \$400 dollar basis or as ~~their~~ appears to them satisfactory. The motion carried.

Adjournment was taken at 2:00 p.m.

Paul and H. Allen
Secretary.

MEETING OF THE PROHIBITION EXECUTIVE COMMITTEE.

Headquarters, March 30, 1914.

There were present: Chairman Calderwood and Messrs, Haggard, Engle, Thompson, Dorsett and Wells; Visiting G. Hood Thompson, Morrow and Markve.

The financial report was read and referred to the Auditing Committee.

Mr. Engle reported that no reply had been received to his last letter to William E. Lee.

A letter was read from Mr. J. B. Arp of Jackson to Mr. Engle regarding recent correspondence between that gentleman and Mr. Lee's campaign manager. The latter indicated that Mr. Lee's presentation of the liquor issue would be much like that of two years ago.

A motion was adopted that arrangements be made if possible for a conference between representatives of the Committee and Mr. Lee. Messrs. Calderwood, Engle, Haggard were made a committee to represent the Executive Committee in such a conference.

A letter was read from Mr. J. N. Ringdal in Rush City inquiring what the attitude of the Committee would be toward his candidacy if he should file as the progressive candidate for congress for the 10th district. The secretary was directed to reply to Mr. Ringdal that the Committee is interested in the proposition and desires further information and informing him that if he should make a fight for national Prohibition it is not probable that a Prohibition party candidate would be put into the field.

Mr. Wells, committee on the suffrage parade, reported that a Prohibition contingent would be welcome but that it was not desired that large banners or other elaborate distinguishing features should be a part of the display of the various contingents. The Committee was continued.

MEETING OF THE PROHIBITION EXECUTIVE COMMITTEE.

Headquarters, April 3, 1914.

There were present: Chairman Calderwood and Messrs. Engle, Thompson, Haggard, Dorsett and Wells; Visiting, Markve and Lobeck.

On motion the Committee's previous action providing for a state convention April 20 was rescinded.

The Chairman announced that under the provisions of the will of Miss Eva Jones of St. Paul, recently deceased, the Committee would receive one-sixth of the real property owned by her, the value of which was estimated in the will at \$10,000.

The proposed speaking campaign, especially the part of Quincy Lee Morrow therein, was considered informally.

A motion was adopted expressing it as the sense of the Committee that the publication of a portrait of Mr. Calderwood and a write-up of his candidacy for governor should be obtained in the Twin City dailies.

There were present: Chairman Calderwood and Messrs. Dorsett, Engle, Haggard, Thompson, Morse and Wells of the Committee and Mr. Markve, visiting.

The minutes of the last meeting were read and approved.

The financial report for the week ending April the 4th was read and referred to the Auditing Committee.

The Chairman submitted a proposition from the publishers of Victory, the new Prohibition weekly continuing Clean Politics and the American Advance. Providing one thousand subscriptions can be secured among the several states, the Minnesota Committee will be furnished any number of copies desired at twenty cents a year and if ten thousand copies are taken be allowed two columns of space weekly or four columns bi-weekly for state matter. All subscriptions above ten thousand will be accepted at fifteen cents a year without entitling the state to more space. The matter was referred to a committee consisting of Messrs. Thompson, Haggard and Wells.

On the suggestion of the Chairman it was determined to arrange for scientific temperance and Prohibition party exhibits at county fairs, enlisting the aid of Christian Endeavor societies and similar organizations throughout the state in making the necessary arrangements therefor.

A motion was adopted approving Quincy Lee Morrow's plan of reaching the people in shops, mills and elsewhere with the understanding that the Committee be financially responsible in connection therewith to the same extent as at the present time for a sufficient period to test the results of the undertaking.

Mr. Markve submitted a plan for an advance man to collect the cost of running the Governor's Car at the places which it is proposed that it shall visit. The plan was adopted with the additional provision that a second advance man shall accompany the financial man to arrange dates and do such advertising as may then be practicable.

Mr. Wells was made a committee to report a plan of propaganda for the Minnesota State Fair.

Also to communicate with the managers of the approaching suffrage parade, assuring them of our interest in the parade and inquiring whether it is desired that we shall take part as an organization.
