MEETING OF THE PROHIBITION EXECUTIVE COMMITTEE.

Headquarters, January 3, 1916.

There were present: Chairman Wells, Mrs. Taylor and Messrs. Dorsett, Thompson, Kalnes, Vroman, Calderwood, Leffler, Markve and Stromme; Visiting, Martin and Magney.

The minutes of the last meeting were read and approved.

The financial report for the two weeks ending December 31, 1915 was read and referred to the Auditing Committee.

It was moved and seconded that the Committee renew its offer to give free a year's subscription to the Vindicator or Reform to every pledgor giving \$5 or more, \$2.50 or more to be paid in cash. After some discussion the matter was referred to a committee of three to get in touch with the different papers, the Vindicator, Patriot Phalanx, Reform and National Prohibition and get their best terms, also to recommend to this Committee which papers if any shall be given as premiums and if National Prohibition shall be given to all who pay any sum to this Committee and further recommend just what disposition shall be made of the Minnesota Patriot. The chair appointed W. G. Calderwood, Dorsett and Vroman.

Mr. Calderwood reported that the Committee had sent out a Christmas letter to a list of about 18,000 people who had at some time paid some amount to this Committee, offering a year's subscription to the Vindicator if they would send this Committee \$2 as a Christmas offering. He further recommended that a follow-up should be sent to all who did not respond, asking them to enroll and to get others to do likewise and that letters be sent to all school teachers of the state, asking them to co-operate and that a similar letter be sent to those who are known as to be friendly or what is known as the "non-pledge"

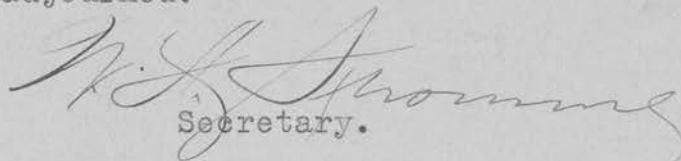

lists. After some discussion it was moved and carried that the Committee be authorized to send out such letters.

Chairman Wells reported that there was no change made in the date of the National Convention and called on Mr. Calderwood to report on the decision of the National Chairman as to where the Convention should be held. Calderwood reported that Chairman Hinshaw had decided that since St. Paul could furnish a suitable auditorium, the convention should be held in St. Paul.

It was moved and carried that a committee be appointed to report on the formation and duties of a convention committee and that the convention committee should be composed largely of St. Paul men. The Chairman appointed Stromme, Fowble and on motion the Chairman was added to that committee.

Mr. Markve reported that the 7th Ward is about to have an election under the old convention system to elect an alderman to fill a vacancy, that as a Prohibition party we would be entitled to nominate a candidate and recommended that it be so done provided wet men were nominated by the other parties. After some discussion it was moved and carried that Mr. Markve and Mr. Vroman be appointed a committee with power to act to take charge of the 7th Ward situation.

On motion the Committee adjourned.

MEETING OF THE PROHIBITION EXECUTIVE COMMITTEE

Headquarters, January 11th, 1916.

There were present Chairman Wells, Mmes. Calderwood and Taylor and Messrs. Kalnes, Markve, Vroman, Fowble, Calderwood and Stromme; Visiting, Mr. Kleven.

The minutes of the last meeting were read and approved.

The financial report for the week ending January 8th was read and referred to the Auditing Committee.

The Chairman reported that during the year 1915 the Committee handled cash amounting to 24,142.19, received from pledges and all other sources.

The attention of the Committee was brought to the fact that at the time of engaging Mr. Calderwood the need of making him an executive officer was overlooked and the following resolution was offered which on motion was adopted:

"Resolved:

That W. G. Calderwood is hereby made an executive officer, dating back to November 19, 1915, the time when his services began with this Committee, authorized to execute the plans of this Committee, enter into and sign contracts with workers and transact any other needful business."

Mr. Kalnes, chairman of the committee on the distribution of delegates to the National Convention, offered a report, copy of which is hereto attached, which was on motion adopted.

Mr. Markve, chairman of the committee on the 7th Ward aldermanic election, reported that his committee had called on Mr. T. O. Dahl, candidate for nomination on the Democratic ticket who agreed, if nominated, and elected to vote No on all liquor licenses and further that if he should fail to be nominated, he would support the candidate

nominated by the Prohibition party, and the committee recommended that the Prohibition Executive Committee endorse the candidacy of Mr. Dahl and if possible have the endorsement published in the afternoon papers. On motion the report was adopted.

Mr. Stromme, chairman of the convention committee, reported that the committee had held a meeting in St. Paul on the 7th and had selected the following named committee: Charles A. Fowble, Geo. F. Wells, R. J. K. Murray, W. G. Calderwood, J. D. Engle, Frank P. Vroman and W. A. Stromme. After some discussion the report of the committee was adopted and the committee discharged. It was moved and carried that if it should be necessary to add other members to this committee the same should be made by ballot.

m Mr. Calderwood, as chairman of the committee to investigate and recommend to this committee what premiums of papers to offer to pledgors and also what disposition should be made of the Minnesota Patriot, recommended that the following premiums be offered and that the Minnesota Patriot be published quarterly:

"That all who pledge \$5 or more and pay \$2.50 or more cash receive the Vindicator, a 16-page \$1.00 weekly paper for one year free or if desired Reform, the leading national Scandinavian Prohibition paper may be substituted.

"That all who pledge \$2.50 and less than \$5.00 and pay \$1.00 or more cash, receive the national edition of the Patriot Phalanx, a 4-page, 50-cent weekly, for 40 weeks free.

"All who pledge \$1.00 or more but less than \$2.50 and pay 25¢ or more cash will receive National Prohibition, a 4-page monthly for one year free.

"All who pay any amount cash, giving name and address, will receive the Minnesota Patriot, a 4-page quarterly, covering the Minnesota field only for one year free."

On motion the report was adopted.

It was moved and carried that Mr. Waldemar Ager, editor of Reform, be sent a copy of these minutes and also a copy of the minutes of the meeting of January 3rd.

Chairman Wells suggested to this Committee that it might pay us well both for the purpose of obtaining immediate pledges and also bringing us new names that might later be solicited to secure some prominent speaker outside of the Prohibition party for a series of meetings in the largest cities of the state, with the understanding that some strong money raiser should accompany and speak from the same platform for the purpose of raising money. After some discussion it was moved and carried that a committee of three including the Chairman be appointed to get in touch with the more important reform speakers and Markve and Kalnes were added to that committee.

The usual time for adjournment having arrived, the motion was made to extend the time and an informal discussion on presidential timber was held, but no action was taken.

On motion the Committee adjourned.

REPORT OF COMMITTEE ON DISTRIBUTION  
OF DELEGATES TO NATIONAL PROHIBITION CONVENTION.

To The Prohibition State Committee,

Minneapolis, Minn.

Your committee on the distribution of delegates to the  
national convention reports as follows:

Minnesota is entitled to 43 delegates to the National Prohibition  
Convention under the rules of the National Prohibition Committee,  
allowing one delegate for each 200 votes or major fraction thereof  
cast for Chafin for president in 1912 and four at large to each state.

Your committee recommends that these delegates be distributed  
amongst the various congressional districts of Minnesota allowing  
one delegate for each 250 votes or major fraction thereof cast for  
Chafin for president in 1912, the remaining delegates to be elected  
at large. This plan will give the various districts the following no. of  
delegates:

Dist.	Chafin vote	delegates	Dist.	Chafin vote	No. delegates.
First	1,060	4	Sixth	647	3

Leaving 11 delegates to be elected by the state at large.

Very respectfully submitted,

MEETING OF THE PROHIBITION EXECUTIVE COMMITTEE.

Headquarters, February 8, 1916.

There were present: Chairman Wells, Mmes. Taylor and Calderwood and Messrs. Kalnes, Calderwood, Morrow, Fowble, Markve, Thompson and Stromme.

The minutes of the last meeting were read, corrected and approved.

The financial report for the week ending February 6th was read and referred to the Auditing Committee.

The motion offered by Mr. Morrow at the last meeting was changed with the consent of the second that a committee of three be appointed which was on motion adopted. The Chairman appointed Fowble, Thompson and Haggard.

It was moved and carried that John A. Shields of Chicago be employed from now to the end of the campaign at a salary of \$150 per month.

As the time limit of the meeting had arrived it was extended.

Chairman Wells announced that he would not avail himself of the Committee's offer of a commission on all pledges taken for the Committee in 1915 but would accept the salary offered him of \$150 per month and expenses. This, it seems, would leave the Committee something over \$700 to the good. Mr. Wells further suggested that he be released from the financial work of the Committee and devote his whole time during 1916 to getting subscriptions for "National Prohibition", having for his aim the raising of \$10,000 and the securing of 100,000 subscriptions in the state of Minnesota in 1916. On motion the matter was referred to the special financial committee of three, above named.

It was moved and carried that a vote of thanks be extended to the Chairman in appreciation of his services rendered and for taking the lesser remuneration.

On motion the Committee adjourned.

*W. A. Stromme*  
SECRETARY.

MEETING OF THE PROHIBITION EXECUTIVE COMMITTEE.

Headquarters, February 14, 1916.

There were present Chairman Wells, Mmes. Taylor and Calderwood, and Messrs. Dorsett, Kalnes, Fowble, Leffler, Morrow, Calderwood, Haggard and Stromme.

The minutes of the last meeting were read, corrected and approved.

The financial report for the week ending February 12th was read and referred to the Auditing Committee.

The report of the Convention Committee was read and on motion the report was adopted, which motion also ratified the nomination as members of the Convention Committee of N. T. Mears of St. Paul and Dr. George D. Haggard of Minneapolis.

Mr. Calderwood outlined a plan of campaign to cover the state as well as possible before spring by the use of free talent which he believes can be had for the asking. He showed that over 300 towns and villages in the state have not had a Prohibition speaker for more than a year and that many of these points could now be reached by volunteer workers. As soon as the weather settles in the spring he believes it would be wise to employ professional speakers. On motion he was authorized to engage such talent as in his judgment seemed wise.

On motion the committee adjourned.

MEETING OF THE PROHIBITION EXECUTIVE COMMITTEE

Headquarters, January 31, 1916.

There were present Chairman Wells, Madams Taylor and Calderwood, and Messrs. Fowble, Thompson, Morrow, Vroman, Morse, Markve, Haggard, Kalnes, Leffler and Stromme.

The minutes of the last meeting were read and approved. THE financial report for the week of January 29, was read and referred to the auditing committee.

It was moved and seconded that a measure be put into force at once to reduce our liabilities to one thousand dollars or less within the next ninety days. The motion was discussed at some length. Fowble, Morrow, Morse, Markve, Mrs. Taylor and Wells favored the motion. Dr. Haggard didn't think it was feasible and urged that it be modified. Mr. Stromme offered the motion to make it a special order of business for the next regular meeting, but the motion was lost. The vote being taken the motion carried.

Two o'clock having arrived it was moved and carried that the time be extended.

Mr. Morrow moved that Mr. Fowble be appointed a committee. He to choose two prohibition business men not connected with this committee to devise some plan to collect our pledges. Mr. Fowble opposed the motion on the ground that he had no special fitness, but that every member of the committee should between now and the next meeting study the question and come prepared to offer some suggestion or solution, and asked that the meeting now adjourn. Mr. Morrow consented to the adjournment with the understanding that the motion be in order for our next meeting.

The meeting was then adjourned.

*R. F. Stromme*  
Secretary.

MEETING OF THE PROHIBITION EXECUTIVE COMMITTEE.

Headquarters, March 20, 1916.

There were present: Chairman Wells, Mmes. Taylor and Calderwood and Messrs. Leffler, Shields, Calderwood, Thompson, Haggard and Stromme.

The minutes of the last meeting were read and approved.

The financial report for the week ending March 18th was read and referred to the Auditing Committee.

At the request of E. E. Lobeck the office was instructed to give a new note for \$190.00 in renewal of a note for \$250.00 due March 4, 1916 altho the Committee's books on that date showed the amount of indebtedness to Mr. Lobeck to be \$139.79.

It was moved and carried that the fact that the Committee had voted to give Mr. Lobeck a note for more than was due him should not be made a precedent.

The cashier's report showed the response to the collection letter sent out by the special finance committee to be as follows:

For the years 1910, 1911 and 1912, 471 letters had been sent out but had received no response.

For the years 1913-14, 676 letters had been sent out and in response \$16.50 had been received.

For the years 1915-16, 1190 letters had been sent out and in response \$490.35 had been received.

After some discussion it was moved and carried that it be recommended to the special finance committee that three letters be sent out, each suitable to one of the three classifications our pledges are now divided into.

On motion the committee adjourned.
