TO THE MEMBERS OF THE MECHANIC ARTS CLASS OF 1937

This booklet contains the names and addresses of the members of our class in 1962. We have tried to supply as much information as possible from those who returned the letters. We have appointed a permanent recorder in hopes that we can, with your help, keep our list up-to-date. Please send any changes of address or any other information to:

DO YOU REMEMBER WHEN - - - - -

The year is 1937. Franklin D. Roosevelt is serving his second term as President. Elmer A. Benson is Governor. Mark Gehan is Mayor. Adolph Hitler is becoming a familiar name in the news.

At Mechanic Arts High School the seniors are looking forward to June 18, their graduation day, but are also looking back on some of the happenings of their high school days, such as:

The day the senior honor roll was announced and the girls outnumbered the boys 82 to 36, but a boy, Raphael Levine, was named the Valedictorian and a girl, Hazel Messersmith, was named the Salutatorian.

The day the new curtain in Assembly was revealed, and the grumbling that followed because the curtain was dubonnet and not blue. Then it was explained that a fadeproof blue would have cost a hundred dollars more.

The pride we felt when we watched our band in their blue and white uniforms march in the 1937 Carnival Parade, led by Don Selleck. The rivalry of the MAHS-CENTRAL football games. The Sunlite Dances with music by Mark Strachota's Musical Madmen or Joe Libby's Rhythm Rascals. Everybody eating doughnuts when the Girl Reserves held their annual doughnut sale.

Everybody's favorite, Nettie, reigning as "Queen" of the Cafeteria. And Mr. Dietrich Lange taking his summer vacation at Isle Royal or on a nature camping trip.

"Growing Pains" was our Class Play and was considered a production 'hit'.

GRADUATION, 1937, "...when prospects beckoned blindly." (L. Housman)

None of us thought much about what we would be doing 25 years from then, but here we are, today...

Letter from Miss Moriarty, Class Moderator

Dear Class of 1937,

It is hard to realize that twenty-five years have passed since the 1937 Class Graduation. Makes me feel old! Mr. Twohy and I surely appreciate your thoughtfulness in inviting us to be guests of the Class at their reunion dinner dance but we regret we cannot accept.

I returned to teaching a few years ago and am now at a new Seattle high school. I'm teaching 5 classes of Latin which I enjoy. I had a few qualms at first about teaching a second generation, but after my first class it seemed perfectly natural to be back.

Many thanks to the Class for their invitation.

Greetings to each of you.
