TURN BACK THE CLOCK - - - - -

It was the night of June 18, 1937, that we, the graduation class of Mechanic Arts High School, marched proudly in the arena of the St. Paul Auditorium. There, our family and friends watched, as we received our diplomas. And now, forty-five years later, we are together again, for our Reunion.

Mechanic Arts closed her doors, as a high school, forever, in 1976. So for all the memories she gave us, be they good, or maybe, sometimes not so good, we, the class of 1937, would like to dedicate our Reunion to our Alma Mater, Mechanic Arts High School.

Who can forget our principal, Dietrich Lange, with his white hair, brisk walk, patrolling the halls, to see that we arrived at our classes on time, and not loitering, and our teachers, who tried to instill some knowledge in our youthful brains, even being successful, most of the time!

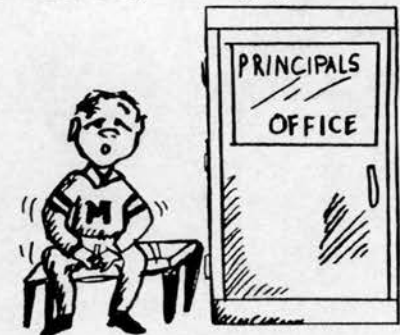

Remember the Pep Rally before a big game, with Doc Raymond, the band, and our cheer leaders really pepping us up with pride, for the Blue and White.

The Sunlite Dances, and the really big one - - the Junior Senior PROM, really made the decisions, anxieties, and joys of the teen years, more unforgettable.

Our paper, the Cogwheel, which won so many awards, was a special distinction of our school. When the "M" Book came out, everybody was signing everyone else's books.

Even the Mourner's Bench, which Heaven forbid, we hoped we would never be caught sitting on, is now just a memory. many memories! And so, Mechanic Arts High School, we say, "Thanks for the memories."
