GRAND MASTER MORRIS S. MILLER'S ADDRESS TO THE NINETY-EIGHTH ANNUAL COMMUNICATION OF THE PRINCE HALL GRAND LODGE, F. & A. M.

SEPTEMBER 15, 1992.

TO: The R. W. D. G. M. Brother James K. Ash, All
Elected and Appointed Grand Lodge Officers,
Past Grand Masters, visiting Grand Masters &
other Grand Lodge Officers, Worshipful
Masters, Wardens, Worthy Grand Matron and W
G. Patron of Prince Hall Grand Chapter,
O.E.S., Past Grand Matrons, Past Grand
Patrons, Brothers and Sisters. Good morning

Pursuant to, and in obedience to the Constitution
of this Prince Hall Grand Lodge, we are assembled
here today to reflect on our past and plan for our
future. Our burdens are heavy, but we are taught
to ask, and it will be given unto us, seek and we
will find. With those promises, let me ask the
Grand Chaplain to lead us to the throne of grace
where we may find solace and comfort, and become
spiritually refreshed for the journey through this
Ninety-Eighth Annual Session. Brother Grand
Chaplain, please lead us!!

NECROLOGY

In the words of John Mason Brown...

"There is a shrine in the Temple of ages
Where lie forever enshrined, the memories
of such as have deserved well of their
country and their race."

Unity - a quality of oneness.

Once again, we mourn the loss of our brothers, and we are painfully reminded of the brevity of our lives. This past year we closed the records on 5 of our members who started on their celestial journeys. Who among us will be the next? How will you like to be remembered? Brothers and sisters, even as we contemplate our mortality at this very moment the fabric of that mortality is being re-arranged so that in a flash, the silver cord may snap or the golden bowl be broken and our vital signs cease.

Let us take a small time-out to ponder the question If your name was called at this very moment are you ready? What would you like to be said of you by a best friend, your wife or husband, your minister, a person with whom you work, and a family member? Do you think that you will be remembered more for what you did than did'nt do?

The necrology committee will formally close the records on those brothers when it gives its report tomorrow morning.

STATE OF THE NATION

For the first time in thirty-three years I feel that I can speak to you as an American, I doubt that you will see any difference in what I say but there will be a difference in how I feel when I say We the people of the United States, in order to form a more perfect Union, establish justice, insure domestic tranquility, provide for the common defense, promote the general Welfare, and secure the Blessings of Liberty to ourselves and our prosperity....This year being a year for

Presidential election we have some choices to make, and I hope that we will spare no effort on our part to exercise the privilege to vote in November.

Robert Browning said: "Whenever men are NOT obliged by necessity to fight, they fight for ambition." Permit me to share with you one of my concerns. I am worried about the high cost of health care, and wonder whether or not we will be able to afford quality health care. Are you concerned? Let me share some facts with you, they come from the American Cancer Society's 1992 report in which they discuss the Incidence of cancer in Minorities. (Blacks, American Indians, Chinese, and Japanese , and Hispanics).

They found that in cancer from all sites, black males were 45% (30,321 cases), and black females were 23,647 or 35% of all minorities. Thus black males and females made up 80% of all cancer. They also found that we were first in a number of other specific areas like lung cancer 10,112 cases in black males compared to 197 in American Indians and 127 Japanese. Lung cancer in black women was 83% of the total, 4019 compared to 111 American Indians and 64 Japanese. Breast cancer in black women was 81% (4,467), compared to 66 American Indians and 62 Japanese women.

Prostatic cancer is the number one killer among black males. They reported 4,582 compared to 64 in American Indians and 43 in Japanese. The report said: "For reasons not currently known, black Americans have the highest incidence rate in the world." Additionally, the five year survival rate for cancer in blacks diagnosed from 1981 through

1987 was 38 % compared to 53% for whites. A considerable part of this difference in survival can be attributed to late diagnoses. Many cancers are more frequently diagnosed in a localized stage among whites than among blacks. Most of the sites represent cancer from which screening tests are available or which represent symptoms early in the disease process. Early detection and timely treatment can increase survival and halt the disease progression.

I believe that we can make a difference if we want to, we can become partners with organizations like the American Heart and American Cancer to help them reach the poor, minority, and the under-served. We know that there are some socioeconomic factors such as lack of health insurance or means of available transportation which can impede access and lead to late diagnosis and poor survival. I challenge this Prince Hall Family to stand up and be counted. It is said that some men have many reasons why they cannot do what they should, when, all they really need is ONE reason why they can. WE CAN MAKE THE DIFFERENCE, I HOPE WE WILL TRY.

STATE OF THE ORDER

I can report that HARMONY prevails in our Jurisdiction and I thank all of you for your part in preserving the peace.

Ninety-Eight years ago this organization was born when Brothers Thomas H. Lyles was elected Grand Master, John L. Neal, D.G.M.; E. T. Rhome, G.S.W.; Daniel Roy, G.J.W.; Joseph Adams, Grand Treasurer; James Woodfork, Grand Secretary; W. A. Hilyard,

Brother Johnny O. Greene of Acacia Lodge # 12 for demonstrated commitment to Prince Hall Masonry in all areas, W. Brother Thomas Henderson of Perfect Ashler Lodge # 4 for his effort to keep the craft together despite tremendous odds, My W. M. Brother Hugger for constantly trying to find opportunities for P. H. Masons to make their mark in the communities, he made several referrals to my office, brothers Lawrence Henderson, P.M. of Anchor Hilyard Lodge for his help at the Hub and trying to keep the building clean and in shape, brother Robert Jackson for his leadership at the Hub and for his patience, brother Jack Barbary of Regent Lodge # 5 in Winnipeg and his officers for their constant striving and Brother James Winder, D.D.G.M. of that district for his coaching and support to that lodge. I want to acknowledge the work done by the W. M.'s in the Province of Alberta, Brother Charles Miller # 9, Brother Fitzroy Clarke # 15, & Brother Clinton Smith # 16 for their efforts to keep P. H. Masonry in the forefront of their communities. These brothers were guided by brother Dan LaFayette, D.D.G.M., brother Raphael McClain. Administrative Assistant, and brother Barry Boyd, P.G.M.

Additionally, I must acknowledge publicly the work done by brothers Dave Collins, Grand Lecturer, and Cornelius Davis, R.W.G.S.W. They never missed a meeting unless the roads from Grand Forks were impassible. Finally, I thank all those who contributed in any way towards the continuance of our order. I am concerned that if we, today's leaders do not heed the clarion call, we will have failed our mission, tainted our legacy, and dishonored our heritage. WE MUST NOT FAIL!!

Deputy Grand Secretary; and George Duckett, D.D.G.M., along with twelve other appointed officers. Those brothers represented six lodges: Pioneer No. 1, Minnesota No. 2, Wm H. Stevens No. 3, Perfect Ashlar No. 4, Doric No. 5, and J. K. Hilyard No. 6. The organization was then styled The Most Ancient Free and Accepted Masons, and remained so until 1907 when, under Worshipful Brother Harry Howard the 5th Grand Master, the name was changed, "Ancient" was deleted and we became known as the M. W. P. H. G. L. (F. & A.M.).

I have heard it said that:

"Men are like trees, each one must put forth the leaf that is created in him."

Those brothers struggled then as we do now, we have been in and out of intensive care. That we are here today celebrating 98 years of continuous existence is a measure of our "durability." Take notice, WE WILL SURVIVE!!

The time has come for us to try some new ideas, we have used up those in the old cupboards. "He who never walks save where he saw men's tracks, makes no discoveries." J. G. Holland

There are two important muscles that do not operate under direct control of the brain, they are the tongue and the heart. We have had a number of big hearts making tall promises until it came time to deliver and they did not remember...the brain disconnected from the tongue. However, there were a few who went beyond the call of duty, and I will like you to meet them.

FRATERNAL RELATIONS

We have continued to enjoy good fraternal relations with our brothers. On February 24, 1992, accompanied by the D.G.M. and the Grand Secretary, we witnessed a Masonic Raising in Minneapolis Lodge No. 19, A.F. & A.M. M. W. Brother Charles Baltos and I were received with honors. Then on Wednesday the 26, I again attended another historic event, this time I was accompanied by brothers and sisters of the Prince Hall Family to a Special Table Lodge presided over by brother Kenneth W. Carroll, W.M. I received a lovely gift and we were all very delighted with the opportunity for fellowship.

June 11-13, 1992, I attended the Grand Lodge of N.D 103 Session accompanied by Brothers Weddington, P.G.M., Cornelius Davis, G.S.W, Dave Collins, Grand Lecturer, and Buckley, Dean of Instructions. We had an enjoyable fellowship.

Our fraternal relations with other Prince Hall Bodies is exemplary. As Chairman of the Steering Committee for the Conference of Prince Hall Grand Masters, I am in touch with every P.H. Grand Lodge and I was re-elected for the fourth year by acclamation. Operating from a position of strength, I have been moving the conference toward a sense of oneness instead of the 44 individual jurisdictions we have always been, I can happily report that the conference will hold a Summit in Jackson Mississippi on October 23-25, 1992, to begin strategic work in that direction. It is my firm belief that our survival into the 21st Century will depend on how well we can adjust pro-actively, it is a slow process, but an attainable goal.

Some of the benefits of this plan are to pool our resources...health care, credit cards, self-insurance, and banking opportunities. All of which are possible if we can work together. Monday of last week I saw a show on T.V. where the "bloods" and the "creps" had signed a truce, and pledged themselves to stop the violence against each other and work together for the good of their neighbourhood, they were very resolute, and one of the questions which they were frequently asked was "will the truce last." That made them indignant. If they can come together why can't we?

MY RECOMMENDATIONS...

1. I recommend that we should continue to support the Midwest Regional Conference of Grand Masters and Masons.
2. I recommend that we should continue to support the Conference of Prince Hall Grand Masters.

IN CONCLUSION

I want to gratefully acknowledge all courtesies that have been extended to me this past year, and, in her presence, I take this opportunity to thank sister Miller for her tolerance of my mode swings. Those experiences are all priceless, and I shall not forget them. And now, I will use the words of St. Francis of Assisi to bring closure to this epistle:

"Lord, make me an instrument of your peace,
Where there is hatred, let me sow love,
Where there is injury, pardon
Where there is doubt, faith

Where there is despair, hope
 Where there is darkness, light
 And where there is sadness, joy.
 Grant that I may not so much seek to be con-
 soled, as to console
 To be understood as to understand
 To be loved as to love
 For it is in giving that we receive
 It is in pardoning that we are pardoned
 And it is in dying that we are born to
 eternal life." Amen

Winston Churchill is credited with having said:

"One cannot rise to become a leader in a
 community in the civilized world without
 being involved in its problems, without
 being convulsed in its agonies, and
 inspired by its causes."

Winston Churchill.

Prince Hall Masonry has long been involved in these
 communities, it has survived the agonies for 98
 years because we believed then and now in the
 cause. We know that the rung of a ladder was never
 meant to rest upon, only to hold a man's foot long
 enough to enable him to put the other one higher.
 We must leave this place firmly resolved that there
 will never be better opportunity for us to work
 together than now.

May God bless you all richly,

Sincerely and Fraternally,

 Morris S. Miller,
 M. W. Grand Master.

ANNUAL REPORT

To the Most Worshipful Prince Hall Grand Lodge, Free and Accepted Masons, Jurisdiction of Minnesota Inc. Most Worshipful Grand Master Morris S. Miller, Grand Lodge Officers, Past Grand Masters, Past Grand Lodge Officers, Honor Guest and Bretherns.

First, I give thanks to the Supreme Architect of the Universe for my beings. I thank Grand Master Miller and all the Brothers who placed their trust and confidence in me. I have been truly blessed to have had the opportunity to serve and represent this Grand Lodge this past year.

I believe this year, your Grand Lodge has made progress. The Prince Hall Foundation has been revived and we are expecting positive results in the future. As of this date we have numerous pledges and we have the possibility to significantly lower the principal on our mortgage. We have also had other fund raising projects to assist in supporting the Grand Lodge operational expenses.

As I think of some of the barriers that prevent this Grand Lodge from becoming the best it can be, there are three main factors that readily come to mind:

- 1- Communication: The Grand Lodge must be kept informed about what is happening within Subordinate Lodges. At the same time the Grand Lodge must meet with the Subordinate Lodges to insure that they are aware of the Grand Lodge purpose and activities. This is necessary to gain their support.
- 2- Morale: Members must be integrated into the Grand Lodge so that their cooperation can be assured and opposition is kept to a minimum.
- 3- Motivation: Motivation is the third essential problem to overcome. A desire to work harder, better, longer and be happy with what they are doing, is a must, if we are to be successful.

In my opinion, the only way for growth, each Brother must respect each other. Where there is mutual trust, there is growth. As Masons, hypocrisy and deceit should, and I repeat should be unknown to us. There is nothing to gain by false pretenses. I believe that this Grand Lodge has attempted to overcome these barriers, through the Grand Master's Visitations, Leadership workshops and monthly Cabinet meetings.

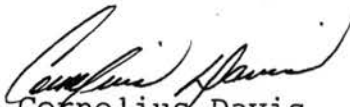

As I look around this room, I am amazed at the potential leadership that exist. The questions is why can't we channel our energies and knowledge in the direction that will bring about positive changes and attitudes. Then and only then, will we become the role models that is so badly needed within our communities.

In closing, I read somewhere, "A winner sees an answer for every problem, a loser sees problems in every answer. A winner says, let me do it for you, a loser says, that's not my job. A winner says, it may be difficult, but it's possible, the loser says, it may be possible, but it's too difficult."

I have no doubt that we have nothing but, winners in our organization. Remember, "You have not done enough, you have never done enough, so long as it is still possible that you have something to contribute." DAD HAMMARSKJOLD

REPORT OF JUNIOR GRAND WARDEN

To the Most Worshipful Grand Master, Morris S. Miller, Past Grand Masters', Grand Officers of this Minnesota Jurisdiction, and Most importantly to you out there who today represent your Blue Lodges, My Brothers all.

Greeting:

With feelings of gratitude and pride, I appear before this Grand body. Throughout the year an earnest effort has been made to be of service whenever and wherever there might be an opportunity. Contacts made and varied experiences during the year have been pleasant, informative and instructive. They have given a greater insight into human nature, into the effects of Masonry and the Masonic code of living and its almost illimitable possibilities when practiced on the highest levels.

To be a part of this Grand team, of such a concept of living tends to draw out the best that is in one. It stimulates to the Nth degree the desire to "give to the world the best you have." It reaffirms the great truth of Holy Writ that Service is the highest attainment and the ultimate goal of mankind.

During the past year I have represented this Grand body in function with our F & A.M. Brethren. The experiences have been delightful and instructive.

- * participated as a team member with our Grand Broad to formulate and implement procedures to reduce or eliminate our mortgage debt.

- * assisted the Grand Lecturer with the Brochure

- * initiated a raffle fund raiser for Grand Lodge.

I wish to take this opportunity to thank all of you who have assisted me throughout this year. Without your help and support our accomplishment are lessen.

It is my hope that during the past year some progress has been made in my conduct of the office of Grand Junior Warden. To uphold and preserve the dignity of the office is a challenge not to be taken lightly. It requires willingness; it requires tact; it requires diplomacy; it requires dedication; it requires loyalty to superiors and to the craft as well; it requires Masonic knowledge and culture. We hope by the Grace of God, with the assistance of the Craft, and so far as the ability within me lies, to become more and more proficient in all of these requisites.

Most Worshipful Grand Master, Grand Officers and brethren of this Grand Lodge, my sincere thanks to you for the pleasure, and the privilege and honor of working with and for you this past year.

Respectfully and fraternally submitted

Ronald Wilson *RW*

R.W. Grand Lecturer, David U. Collins

OFFICE OF:

Greetings Most Worshipful Grand Master, Morris S. Miller, Grand Lodge officers, Past Grand Masters, Worshipful Masters and Brothers. It has been a pleasure to serve this past year as your Grand Lecturer. I set a goal for myself to visit each district and communicate with the Lodges in that district. I fell short of my goal and for that I apologize. Time and distance that I had to travel did not always allow me to meet with the Lodges during their scheduled meeting times.

I would like to share with you some thoughts that I have and hope you will consider them in the future. When the Grand Lecturer is notified that a Warden has demonstrated in open Lodge the degree work that his station dictates, has demonstrated his ability to open and close the Lodge and has announced his readiness to the Worshipful Master and the craft, the Worshipful Master should notify the Grand Lecturer. The Grand Lecturer must notify the Worshipful Master of the time and place that he will give the Wardens proficiency test. It is then the responsibility of the Worshipful Master to meet with the Grand Lecturer at the time and place requested and have the wardens show such proficiency as he requires.

During my Tenure I traveled to Minneapolis for Executive Committee meetings which I have listed below along with other meetings and accomplishments.

OFFICE OF: Right Worshipful District Deputy Grand Master

September 15, 1992

To the Most Worshipful, Grand Master, Grand Officers, Masters of the Craft, and Visiting Brothers: **GREETINGS!**

Our fraternal year has ended for District #2. As we reflect over our stewardship of this masonic year, we thank the Grand Architect of the universe for His blessings and His goodness for allowing us the opportunity to exemplify the ideas of the craft.

As District Deputy Grand Master, I have cooperated with the Grand Masters and the Grand Officers programs. In District #2 elections were held for Anchor Hilyard Lodge #2, Jethro Lodge #8, Palestine Lodge #7, and Theta Libertus Lodge #17.

During my official visits to the Lodges, I was given the impression of a lot of unrest, the state of complacency, the need for encouragement and togetherness within the Lodges. These are trying times and no time to relax as we approach the twenty-first century.

For that cause, I felt that it would be wise to speak to the Lodges on this subject -- **"It's being high twelve"**. There is no time for refreshment and pleasure. In the distance we can hear the gavel sounding in the east calling us from refreshment to labor. In the distance the Worshipful Master is saying "Junior Warden, how goes the hour?" He responds, "One hour past high twelve, Worshipful Master." It being one hour past high twelve, ~~it is time to~~ call the craft from refreshment to labor on the third degree. Time for those who choose to be true Masons to slip on their aprons and prepare for the real services of labor -- Master Builders who have the ear, to hear the cry of the Black community. In times like these when men

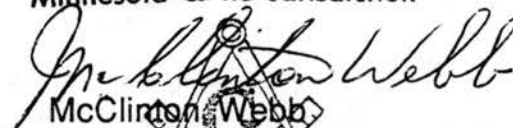

*you will
call
the*

of color seem to be complacent, refusing to love enough to the point that their children are growing up not knowing grandfathers and grandmothers. Police brutality is on the rise. It would seem that role models have disappeared. We as Master Masons could be role models and father figures to our young males and females. The need is great for Prince Hall Masons to look within themselves with the strength of the Grand Architect of the universe and be able to do something, in order to keep the boys and girls off the streets. We could create jobs for and work with young Black boys and girls. Boys could cut grass under the senior plan. We could get some of the Eastern Star Sisters to work with the girls. There is no time for refreshment and pleasure. "How goes the hour" can be heard. A question that is asked as we reach out and become concerned enough about others. The state of Masonry with its challenges and opportunities demands that Prince Hall Masons see themselves as Master Builders -- building character and morales in mankind. The twenty-first century is just around the corner.

In closing, I wish to thank the Most Worshipful Grand Master for the opportunity to serve him in this District. For this I am most grateful.

It is on the level that we most patiently labor, on the square is to the world. May brotherly love prevail and every moral virtue cement us.

TO: The Most Worshipful Grand Master, Past Grand Masters, Past and Present Grand Lodge Officers, Members of all subordinate lodges of the Most Worshipful Grand Lodge of Prince Hall Masons of Minnesota and its jurisdiction. Greetings!

It indeed has been a honor as well as a pleasure to have served the Grand Master and this Most Worshipful Body over the past year.

On December 7, 1991 I participated in the reception of Brother Donald Kuznia from T.W. Hugo Lodge of The Most Worshipful Grand Lodge of Minnesota A.F. & A.M. This was a historical occasion. He was surprised at the similarity of our ritual.

I conducted the annual election of officers for Doric Lodge #3 on December 27, 1991.

On December 29, 1991 I led the Craft to Calvary Baptist Church for St John's day ceremonies.

In February 1992 I participated in the reception of five brothers from T.W. Hugo and Glen Avon lodges of the Most Worshipful Grand Lodge of Minnesota A.F. & A.M. They were equally impressed with the way in which we performed our ritual. So much so that they intended to use the part that we perform at the Alter with the Master and Wardens in their own lodge.

On March 9, 1992 I attended a Finnish Lodge at Glen Avon Lodge. The whole ritual was done in the Finnish language. It was very impressive. Again, two additional historical occasions.

On April 11 th I attended the Grand Lodge Executive Committee meeting at the Grand East.

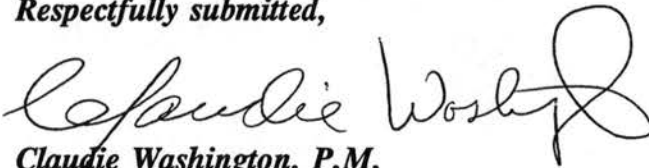

On June 21 st I led the Craft to Christ Temple Church for St John's day ceremonies.

*On July 11 th I attended the Grand Lodge Executive Committee
meeting at the Grand East.*

*On September 12 th I attended the Grand Lodge Executive Committee meeting at the Grand
East.*

Again, It has been a pleasure serving.

Most Worshipful Grand Master, Past Grand Masters, Grand Lodge Officers, Masters and Wardens.

Greetings from Pioneer Lodge #1.

First giving thanks to almighty God, Grand Architect of the universe.

The members of Pioneer Lodge blessed me with the previledge to serve as their Worshipful Master December 2, 1991. I readily admit that this event was indeed a scary yet proud moment given the shoes I had to fill following Jr. Past Master Micheal Gonzales.

Since my election to the office, I have attended:

- ** St. John the Evangelist Day at Good Friendship Baptist Missionary Church.
- ** Pioneer Lodge's Annual New Year's Eve Party.
- ** A Table Lodge Meeting with members of Grand Lodge of A.F. & A.M. of the Minnesota Jurisdiction.
- ** Pioneer Lodge's Annual Spring Gospel Musical.
- ** Queen of Sheba and Princess Ozeil's Black and White Ball
- ** St. John the Baptist Day at Pilgrim Baptist Church
- ** Pioneer Lodge 126th Anniversary Celebration and Gospel Musical

Pioneer Lodge held three (3) fund raiser B.B.Q's and are currently promoting our third fund raiser, The Third Annual Beater Raffle.

Our charity work has included donations to churches, battered women and homeless shelters, an educational grant and we sponsored several boys to attend a weekend fishing trip with any local social club.

As of December 2, 1992, Pioneer Lodge membership was 46. Since that date, we have initiate three (3), past three (3) and raised three (3). The Lord has blessed Pioneer this year and has called none of our Pioneer Brothers home.

In summation, I would like to take this opportunity to state both from sincerity and for the record that I see the position of Master of Pioneer as one of a servant of my membership. A servant in the sense that I must perform under the auspices of a benevolent dictatorship. Without the support and continued endorsement of the membership, I would be the leader of an one man band. What ever I have accomplished and what ever had done was done for and with the blessing of the members of my lodge. For that, I formally thank them.

I made mention earlier of the shoes I had to fill following Past Master Michael Gonzales. This being my first term as Master, it was indeed a learning process. From this educational year, I have learned that the ship will float by itself and each member of the crew has a job, but without the wisdom, sensitivity and determination of the captain, that same ship will not reach its destination. I want to also take this opportunity to thank all the Past Masters of Pioneer Lodge for from them I learned first hand "Wisdom is not to held selfishly, share it, pass it on.

TO: The most Worshipful Grand Master, Grand Lodge Officers, Worshipful Masters, Past Masters and Members of the Prince Hall Masonic Body. Greetings.

This is my second term as a Worshipful Master for Anchor Hilyard Lodge. Our accomplishments this year were as follows:

- * Initiated 2 new brethren to the degree of Entered Apprentice.
- * Passed 1 brother to the degree of Fellow Craft.
- * Raised 1 brother to the degree of Master Mason
- * Held 1 lodge fund raiser (Annual Wild Game Dinner)
- * Successfully held annual Anchor Hilyard Picnic for Lodge members, widows and children.
- * Supported through attendance and or donations after Lodges functions and fund raisers.
- * Visited several AF & AM Lodges as guest
- * Entertained visits from several of the AF & AM Lodges through-out this past year.

I want to personally thank my senior Warden; brother Joe Rowe and my Junior Warden brother Jeff Wade for their commitment and service in a year where our Lodge saw a change in the elected and appointed chairs.

Time was spent on learning ritualistic work from opening and closing the Lodge to performing degrees the things that I believe makes a Lodge stronger and its members knowledgeable.

TO: The Most Worshipful Grand Master, Past and Present Grand Lodge Officers, Worshipful Masters, Officers and Members of all subordinate lodges, and to this 98th Annual Communication of the Most Worshipful Prince Hall Grand Lodge of Minnesota and its jurisdiction.

GREETINGS:

Again, I am pleased to be here with my brothers to represent Doric Lodge #3 as Worshipful Master. I cannot begin this report without giving praise to all the officers and members of the lodge for all their guidance and support in making my efforts as rewarding and less tedious this past year.

I was duly elected and installed as Worshipful Master on the 27th of December, 1991, for my third term.

On December 29, 1991, I and several brothers attended Calvary Baptist Church to observe St. John ~~The Evangelist~~ Day Ceremony.

In December, 1991 and February, 1992, Doric Lodge received members of T.W. Hugo and Glen Avon Lodges of the Minnesota Grand Lodge AF & AM in accordance with the Most Worshipful Grand Masters Directive, Mode of Recognition, Landmark #14. Both meetings were very interesting and enjoyed by all who attended from both jurisdictions.

On February 28th, 1992, I and members of Doric Lodge volunteered their services to assist in St. Mark's Church Annual Talent Show. We were all happy to participate in this tribute to the many talents of our local youth.

On March 23, 1992, I and brothers of the lodge attended the funeral of Brother Sidney Point. All brothers stood and gave testimony and tribute to our fallen brother. Brother Point had been ill for some time and it was his wish to have a Masonic Ceremony. I think it was a beautiful Masonic service and we were all glad that we could participate in it, and it helped show what Brotherhood of Masonry is all about.

Also in March, 1992, I and Brothers of the lodge responded to a reciprocal visit to T.W. Hugo Lodge and Glen Avon Lodge of the Grand Lodge of Minnesota AF & AM. As with their visit to our lodge numerous praise was given on our knowledge of Masonry, and there was mutual agreement that times are changing in the Masonic Brotherhood.

On April 11, 1992, I and members of Doric attended a Training Seminar at the Grand East given by the Most Worshipful Grand Master. It was a very informative session and we enjoyed all the proceedings, including an informal discussion afterward with all the Grand Lodge officers.

As in past years Doric Lodge has made numerous contributions to local charities, The Food Shelf, Salvation Army, Students in need of financial assistance for school trips. This year we again donated toward our Life Membership in the NAACP and renewed our commitment to aid in the survival and vitality of this institution.

On Sunday June 21, 1992, members of Doric Lodge attended Christ Temple Church in Duluth to observe St. John The Baptist Day observance. Reverend Caldwell and his congregation received us in grand fellowship.

In July, 1992, the lodge bid farewell to our senior brother, Tyler, Fred D. Bell who due to longevity of age had to move from Duluth to live with his daughter in Milwaukee, Wisconsin. We will certainly all miss his presence at future meetings. Brother Bell at 91 years of age was a brother who took his obligation at its meaning, we all wish the best of blessings to him.

In August, 1992, members of the lodge met and enjoyed fellowship with a young masonic brother from Herman Lodge #51, of Montezuma, Georgia, who is attending University of Minnesota on a summer internship. We enjoyed our interview with him and we were both delighted and awed at his knowledge of the craft. He plans to return to Georgia to further his studies in Soil Sciences and receive his Army Commission and Degree. We look forward to see this brother again in the spring of 1993.

At the writing of this report this Worshipful Master has just returned from a Family Reunion near my birthplace in Alabama. All seems well there and all points in between, but it was good to get back home to the cool nights and warm days of Minnesota.

As I stand here at yet another Grand Lodge Communication, I must say that I am still at awe at how much there is to learn. May the Creator of The Universe bless us all in our endeavor, and make us stronger to our commitment to the fraternity and to our families and friends.

(Worshipful Master)

Greetings! Perfect Ashlar Lodge No. 4 of St. Paul, MN has had one of the worst years of its history. There have been no good communications among the brothers, we have only had three meetings the whole year; I would call and could get no response to my telephone calls. My principal officers have never called to say they were sick or could not make the meeting.

I regret terribly to have to read this letter, but this is the way it has been this year. I would get calls about communication and the events would be over before I would know of them.

I have four members that have tried to come into the lodge, but we do not have enough men to meet so we can open a lodge to accept their petitions. Again, I would call and would get no return calls. We planned for events with no show. We were host lodge for G.M. Visitation for District #1. Good Meeting.

There are 40 Members; had to drop 11. Conducted St. John's Day Services in St. Paul.

From: Worshipful Master Willie J. Roller Jr. Palestine Lodge #7.

Subject: Worshipful Masters report to the 98th Annual Session of P.H. Grand Lodge of Minnesota and it's Jurisdiction.

Greetings from Palestine Lodge #7 on behalf of myself and the members of Palestine Lodge both past and present. We pray that the 98th Annual Session of P.H. Grand Lodge be blessed with the courage to make the necessary changes to create brotherly love, peace, harmony and financial stability in this jurisdiction.

I was elected Worshipful Master on the 12 day of December 1991. Past the chair on the 21 day of December 1991 and installed as Worshipful Master of Palestine Lodge #7 the 28 of December 1991 at R.H. Grand Lodge Public Installation. In December of 1991 I attended St. John the evangelist Day hosted by W.M. Robert Hugger of Anchor Hylar Lodge #2 at Greater Friendship Baptist Church. There I witness a minister by the name of Rev. Porter who gave a tremendous sermon about how can a mason be a mason if he's not on the square of love and truth. The Rev. Porter's knowledge was well founded.

On April 4th 1992 the Master and Warden Council meet for the first time this year it was a very fruitful meeting we discuss the urgency for us to get once again to help the Past Masters Council to create some moves which will help this P.H. Grand Lodge and it's jurisdiction in accomplishing financial and membership goals. But due to uncontrollable insistences and lack of interest the Master and Warden Council only meet that one time to my knowledge.

However the spirit of brotherly love and unity is still flowing in Palestine I see it in my Senior Warden Larmie White and Jr. Warden Steven Davis who on September 10, 1992 passed his warden proficiency test, and their love for the fraternity has shown by their willingness to put fourth a little extra time so the programs of Palestine Lodge #7 can continue.

I know you, present residing masters can vouch for the importance of dedicated past masters who bring stability to any lodge. We at Palestine are blessed to have working pastmasters such as Charles Milliner as treasurer, Clarence Smith as Secretary, Bev Roland as Asst. Secretary, Otis Spencer for his wisdom and knowledge, Resse Dyer and Wayne Glanton their Financial knowledge John Hardeman III his coordination of our scholarship program, Richard Davis for his love of the ritualistic part of masonry, and William Wade who never wishes to become a master but his love for the community is second to none.

Now I would like to address this August body with some suggestions and concerns that my lodge would like to be noted.

1. We would like a clear accounting of the impact of the \$200.00 assessment thus far on mortgage of Grand East, full account and Grand Lodge Relief Fund and projected worth of the Grand Lodge in three years from this date.
2. We feel that serious consideration should be given to the following issues.
 - A. Looking into the feasibility of selling the Grand East building.
 - B. Repealing the \$200.00 assessment until the lodges of this jurisdiction get a clear account of what was received and how it was allocated.
 - C. Repealing the rule that you have to be a Past Master before you can head another house.
 - D. That the Most Worshipful Grand Master position should have a three year tenure. Because masonry is a forever changing society and at this level of perfection it's a business.. After three consecutive elections to the office to give the business a change. A person would have to sit out one year before being eligible for reelection in the same position.

In all this past year has been a fruitful experience. I would like to thank you for taking the time to address Palestine Lodge #7 suggestions and concerns.

GREETINGS:

I RESPECTFULLY SUBMIT THIS REPORT, AS THIS IS MY FIRST YEAR AS WORSHIPFUL MASTER OF MY LODGE, I RECALL THAT WHEN I WAS IN THE WEST, IT ALL LOOKED SO SIMPLE, BUT EVERY THING TAKES ON A DIFFERENT DIMENTION FROM THE EAST.

DURING THE YEAR I TRIED TO HELP WORSHIPFUL HUGGER, TO REVITALIZE THE WARDENS AND MASTERS MEETINGS, WE WERE A LITTLE DISCOURAGED, BUT WE WILL TRY AGAIN, AND WITH GODS HELP, WE WILL PERSEVERE.

WE HAVE INSTRUCTIONAL MEETINGS, EACH WEEK, SO THAT OUR WARDENS, CAN BECOME MORE PROFICIENT,

I ATTENDED SEVERAL VISITATIONS, INCLUDING ONE ABOUT, ^yOUTH IN THE RISK PROGRAM, I ALSO TRIED TO VISIT AS MANY OF OUR SICK BROTHERS, IN THE HOSPITAL AND AT HOME.

I ATTENDED A TABLE LODGE WITH OUR BROTHERS OF A.F.& A.M..

THERE IS SO MUCH MORE TO DO BEFORE THE END OF MY WATCH, BUT IF GOD CONTINUES TO WATCH OVER ME, AND GIVES STRENGTH TO CARRY ON I HOPE TO ACCOMPLISH A FEW MORE PROGRAMS, THAT WE HAVE PLANNED TO MAKE OUR LODGE STRONGER AND MORE RESPONSIVE.

Most Worshipful Grand Master, Grand Officers, Past Masters, Wardens and Brethren of Prince Hall Grand Lodge, Minnesota and Its Jurisdiction, I bring you warm greetings and best wishes from Mt. Sinai Lodge No. 16 F. & A.M.

The five elected officers for 1992 are as follows: W. M. Bro. Clinton Smith, S. W. Bro. David Opokuotoo, J. W. Bro. David Williamson, Sec. Bro. Steve Mitchell, and Treas. Bro. Woodford McHugh.

This year has been quite a masonic experience for me as Worshipful Master labouring in the vineyard with the craft. Our growth in numbers was modest but there was definite improvement in harmony. Two candidates were initiated and one was passed to the sublime degree of Master Mason. Lectures were scheduled to improve the knowledge of the craft. However, we need to do a much better job in the remainder of the year.

The Grand Master's annual visit in April 1992 was the highlight of the year. G. M. Morris Miller made one mason on site, and he worked with all three lodges to improve oneness and brotherly love. G. M. Miller, since your April visit, attitudes have changed and for the better. There is definitely more enthusiasm among the craft and for the better. There is definitely more enthusiasm among the craft and we are endeavouring to keep the momentum going. For your help, we thank you.

Let me take this opportunity to express special thanks to the District Deputy G. M. Bro. Dan la Fayette, and the Administrative Assistant Bro. Raphael McLean for their patient guidance and their many visits to Mt. Sinai. The assistance of the two Past Masters is also appreciated.

This ends my report Most Worshipful Grand Master. May heavens bless this 98th Annual Communication, and may it conclude in harmony.

Respectfully Submitted
Fraternally

A line of communication continues to be nourished between Mosaic Lodge #11 and the AF&AM Lodges of North Dakota. There has been an exchange of visitors and we will continue to reach out to one another.

"Keep on Keeping on in Brotherly Love is my theme for this year. With this theme I would like to leave with you a few words for thought:

If you strike a thorn or rose
Keep a-goin!
If it hails or if it snows,
Keep a-goin!
Taint no use to sit an' whine
When the fish ain't on your line;
Bait your hook an' keep a-tryin -
Keep a-goin'!

**M.W. PRINCE HALL GRAND LODGE
F. & A.M. JURISTITION OF M.N.**

Greeting and best wishes to all on this 98th Annual communication of th N.W. Prince Hall Grand Lodge, from the officers and members of perseverance lodge # 15.

This year has been another year of masonic experance, which began with members of perseverance under the guidance of the distct deputy G.M. and the district administrative assistance, re-elect me W.M. for another term. Growth in terms of numbers has been slow, but we are working on it. Among my masonic experience was conferring the first degree, thanks to the distict administrative assistance and Bro. Miller W.N. of pride of Alberta for their help.

I had the opportunity, along with some members to travel to Edmonton for a visit with G.M. Morris Miller who, was visiting for Black History Month, as you all know a visit with G.M. Miller specially when he is guest speaker for the night, is always a experiance by its self.

The opportunity to receive more light in masonary was well taken by members when officers from the consistory travel to Edmonton for the works,. At each time I was able to meet with W.M. Clinton Smith of Mount Sini, and converse masonicaly, trying to find ways to make lecture meetings more fruitful to let the craft more involve in lecture.

Let me take this oppertunity to publicly acknowledge My gratitude to you my brother for your quality of oneness.

Finally lets be at peace with God, whatever we conceive him to be, and whatever our labors and aspiration, in the noisy confusion of life keep peace with your souls

Lets strive to be happy
May brotherly love prevail.

Dear M.W. Brother Henry:

I enjoyed meeting with you and having the opportunity to renew old acquaintances during the opening of the 139th Annual Communication of the Grand Lodge of A.F. & A.M. of Minnesota this past week. It has been a long time since our last meeting in July, 1975, when we met with you and a group of your Grand Lodge Officers, at your request, to discuss the subject of the Recognition of Legitimate Masons. Since that time, a lot of progress has been made. I know we both share the hope that progress will continue until the question is fully resolved for the best interests of Masonry.

You expressed an interest in learning what I have done since our 1975 meeting regarding the question of Recognition. I am enclosing two copies of the pages of my Annual Report to the Grand Lodge of Minnesota relevant to our meeting in 1975. It was taken from pages 26 and 27 of the PROCEEDINGS, THE GRAND LODGE A.F. & A.M. MINNESOTA, dated 1976, and is headed, "Non-Recognized Grand Lodges". Should you wish to copy these pages, you are most welcome to do so. I apologize for not having listed the names of the Grand Lodge Officers who accompanied you, but quite honestly, I failed to write them down at the time, and couldn't remember them at the time I wrote the report. I do remember that I was most favorably impressed with the high caliber of men you were, and have spoken about that many times, and on many occasions, when the subject was discussed.

Until recently I served as Chairman of our External Relations Committee. In that capacity I was kept informed of the actions and reactions taken by the various Grand Jurisdictions within the United States on the question of Recognition. I kept my Grand Masters informed of the progress being made, and the problems arising therefrom. In 1989, the Grand Master, Ward C. Sonstebj, formed a committee, including me, to study the question in depth. Because of serious health problems, and a lengthy convalescence, I was unable to attend these meetings. I agree fully with their recommendation to extend recognition to Prince Hall Masonry. I do not approve of some of the shortcuts they took in the legislation they proposed to effect the recognition, but these are "legalistic", and will be resolved without effecting in any way the timing of the Recognition.

If I can be of further assistance to you, please free to call on me.

Sincerely and fraternally,

Archibald Duncan

To: The Most Worshipful Grand Master, M. W. Past Grand Masters, Right Worshipful Grand Lodge Officers, Distinguished Guest, Members of the M. W. P. H. Grand Lodge, F.& A.M. of the State of Minnesota, Visitors and Brethren of the Family of Prince Hall Freemasonry.

GREETINGS:

I am pleased to submit to you this report as chairman of the Committee on Foreign Correspondence of the Most Worshipful Prince Hall Grand Lodge of Minnesota and Jurisdiction. We are grateful for all of the communications received from other Jurisdictions during the past Masonic year.

Our Grand Master has been invited to attend almost all of our Sister Jurisdictions.

We used to receive a lot of Official Preceedings. We no longer receive many. I believe the cost of printing has restricted their distribution. As a result I can not report all that is happening in Prince Hall Masonry.

An invitation was extened to all other Jurisdiction to share in our celebration of our 98th Communication. I believe many knew we could not afford receiving them all in Ample form. I did send to all Jurisdictions Christmas greetings. All Jurisdictions were notified of the death of Past Grand Master Piercy A. Haynes of Winnipeg. I responded to all notices of death.

I find that some of the same problems are found throughout Masonsry both on the Grand Lodge level and on the Subordinate level. Other Jurisdictions have problems with delinquent Lodges. Most Grand Masters try to make decisions which time will prove to be wise decisions. But I wonder about a definite suspension.

Please report to your Lodges the welcome extended to our visitors. Other Jurisdictions are watching and studying how Masons should meet, "on the level."

Throughout the year we extend Greetings to all Grand Lodges of P.H.A. for their Annual Meetings.
