GRAND MASTER WILLIAM A. RICHARDSON, SR. ADDRESS TO THE  
ONE-HUNDRETH ANNUAL COMMUNICATION OF THE  
PRINCE HALL GRAND LODGE, F & A.M.  
MINNESOTA JURISDICTION

SEPTEMBER 20, 1994

To: The R.W.D.G.M. Brother Charles E. Milliner, All Elected and Appointed Officers, Past Grand Masters, visiting Grand Masters and other Grand Lodge Officers, Worshipful Masters, Past Masters, Wardens and Brothers: GREETINGS!

In conjunction with the By - Laws and Constitution of this Prince Hall Grand Lodge, we come together again to assess this past Masonic year and prepare for the next one. I stand before each of you today with my Grand Master's address, but before proceeding further, I would ask our Grand Chaplain to come forth and ask for the blessings of our Almighty Father, GOD.

Grand Chaplain:

## NECROLOGY

This fiscal year of 1993 and 1994, we as Masons lost a total of eight Masonic Brothers to that familiar face of Death under this jurisdiction. In November of last year, the Almighty Father called home my baby sister Lyjetter Hemmingson. In May of this year my older sister Mary Alice Huggs was also called to the Heavens. In July of this year, I lost my only brother, James David Richardson Jr.

These three family members played an important role in my private life. They are truly missed by me every day.

We are taught that just as there is life, there is death. None of us are here on this earth forever. We all must pass through that black tunnel to meet the loved ones who have gone on before us. Live life to the fullest as tomorrow is not promised.

The Necrology Committee will also give their report on our deceased Brothers later.

*Unity - a quality of oneness.*

## STATE OF THE NATION

This past year has been unique regarding issues important to Americans. I was particularly pleased with the activities that took place in South Africa and especially the election result of Nelson Mandella being duly elected to the office of President. The United States was not involved in any wars this past year and the economy appears to be getting stronger.

We all witnessed the O.J Simpson story and the problem of domestic abuse being brought to the forefront. It is unfortunate that situations like his are needed to address problems that have existed for years. I would like to point out that domestic abuse is two sided. Just as there are women being abused, so are there men.

I say to this Craft that your involvement in making this world a better place to live is part of the obligation each of us took when we took our oath to become Masons.

## STATE OF THE ORDER

Back in 1993, each Lodge under this jurisdiction was directed by the Grand Cabinet to vote on the sale of the Grand East building located at 1708 Oak Park Avenue North here in Minneapolis. The approval to sell the building was received from the Lodges and in April of this year, the building was sold for \$175,000.00. This price included the outstanding balance of \$87,662.07 owed to the Mortgage Company.

You will find attached, a copy of the total financial break-down of this transaction.

The R.W. Grand Treasurer will also be going into further detail regarding the sale of the previous Grand East building.

In May of this year, the Grand Cabinet entered into a agreement with Palestine Lodge No. 7 to lease the building located at 3836 4th Avenue South. This location is now the temporary site of the Grand East for Minnesota jurisdiction Prince Hall Masons. The Grand Cabinet's financial agreement with Palestine Lodge, requires that the property taxes, insurance and utilities be paid by the Grand Cabinet. This cost is approximately \$750.00 per month. Along with paying the bills, the agreement also calls for a 35% cut to Palestine Lodge of the net monthly profits generated by the Master's Club.

The above agreement is valid for six months subject to a year to year Lease Agreement with the same guidelines.

Again, the R.W. Grand Treasurer will be discussing the financial agreement in greater detail when giving his Report.

I am happy to report to you all that the Grand Lodge's financial state is sound.

In over-viewing the Subordinate Lodges within this jurisdiction, I am concerned with the "LIP" service of the Masonic body as a whole. Additional efforts are needed by each of the Lodges for a better outlook and future. Officers of their perspective Lodges must take their roles more seriously prior to accepting their station. Each Worshipful Master and Line Officer needs to become more persistent in seeing that the Masonic work gets done. We need a increased effort to build our organization by bringing in new members and keeping them active and interested in Masonry. Remember Brothers, we are obligated to each other.

The relationship with our A.F. & A.M. Brothers is going quite well. My communication with Grand Master Rodney Larson has been good along with the intermingling of various functions within our jurisdiction.

The relationship with the Prince Hall Masons of other states is also strong. My visit to the Midwest Conference of Grand Masters confirm my belief that there is a desire to keep relationships strong among the Eleven participating jurisdictions. But I also have some concerns regarding the other jurisdictions commitment.

#### PERSONAL OBSERVATIONS

I attended the 69th Annual Order of the Eastern Star Grand Communication on September 23, 1993. The Masonic Brothers and I were well received.

On March 17th through the 20th, I attended the Midwest Conference of Grand Masters which was held in Dayton, Ohio and was hosted by Grand Master, Steven Reece. The highlight of this conference was the decision of Grand Master, Junior L. Young of Wisconsin regarding the issue of his jurisdiction dropping the "Blood Line" for the Golden Circle and the Supreme Council in direct opposition of his decision.

After a lengthy debate, of which I urged the remaining Grand Masters to give their support, we agreed to send the Sovereign Grand Commander; Samuel Brogdon Jr. a letter with all of our signatures supporting Grand Master, Junior L. Young's decision. We have yet to receive a response.

On April 23rd of this year, a Bus load of 45 Masons and myself, traveled to Winnepeg, Canada for the Spring Conference. This trip was a great success.

estimate that the total number in attendance was approximately 70

Brothers. I was also pleased to see 10 Worshipful Masters there.

I regret that I was not able to attend the Conference of Grand Masters due to the death of my sister. R.W. Deputy Grand Master, Charles E. Milliner went in my place and was given the authority to represent the jurisdiction of Minnesota.

I attended the United Supreme Council conference from May 28th thru the 31st which was held in Cleveland, Ohio. I was very disappointed at the overall Conference agenda and activities. A advertisement bought by this jurisdiction for the United Supreme Council Brochure, was not in the regular kits given out, but was passed out only at the Testimonial Banquet that Saturday night in honor of the Grand Commander, Brogdon.

I was also verbally attacked by the Sovereign Grand Commander, Samuel Brogdon Jr. on the issue of supporting Past Grand Master Junior L. Young and his decision to drop the Blood Line as I discussed earlier. Believe me Brothers, I defended myself well. Finally there appeared to be general disappointment by the other attendees regarding the reception and overall attendance at the Conference.

I attended the 69th Annual Grand Lodge Communication for the Wisconsin Jurisdiction. The hospitality given me by the Wisconsin Grand Lodge Cabinet was again second to none. Accompanying me on this trip were R.W. Deputy Grand Master, Charles E. Milliner and the R.W. Grand Senior Warden, Michael Gonzales.

Other activities I represented the Fraternity at or attended can be found on my Tresle Board which is attached.

At this time I would like to pay homage to my Cabinet members that this body elected and their overall efforts in supporting Masonry within this jurisdiction this past Masonic year.

Grand Junior Warden; Reece M. Dyer deserves special recognition on his work in setting up the operation of the Masters Club and seeing that it was up and functioning in a timely manner.

I would also like to thank Past Master Lawrence Henderson for his dedicated service in managing the past Hub Club and now the running of the Masters Club.

A well deserved thank you to Brothers Fred Scurry, Richard Davis, Virgil Brown and Bev Rowland in their ongoing efforts in assisting at the Masters Club. The remaining Brothers who have put out extra efforts this past Masonic year, I would like to thank you also at this time. By the way, you know who you are. Those of you who have not, we await your needed support.

#### RECOMMENDATIONS

After serious thought and conversations with the members of my Cabinet, please note the following recommendations for the benefit of our Fraternity:

1. "Look to the East" be the official Masonic Ritual for Minnesota and its jurisdiction. This is based on the ability to get substantial number of copies and its use in other jurisdictions surrounding ours.

2. The Grand Lodge Audit Committee is to see that the Grand lodge Taxes are filled out and properly submitted each year as part of their duties.

3. That this Grand Lodge adopt the "seven year" plan regarding securing funds and the building of a new Grand East at the end of seven years based on the following:

A. Place all payments recieved on sale of the old Grand East into the Building Fund, which will amount to \$81,136.00.

B. At each Grand Lodge Session that the sale generated from the Brochure and Registration, net a minumum of \$3,000.00, which after seven years will reach a additional \$21,000.00.

C. The Jurisdiction recruit a minumum of forty new members a year for the next seven years, which will create a additional \$56,000.00.

D. Money from the per capita tax properly budgeted to save \$5000.00 per year at seven years would produce \$35,000.00.

The total amount secured based on the above figures will amount to 193,136.00 which be enough to secure a new Grand Lodge Building. This total will be greatly enhanced if our plans for the Master's Club come through.

*\$126,154 in Bldg fund.*

#### CLOSING

I would like to thank all of the Members of this great Fraternity for again electing me to the Office of Grand Master. This year has been a challenge because of all the personal tragedies, the decisions made in selling the old Grand East building, locating a temporary place for the Grand Cabinet and finally the start up of the Masters Club.

We are once again having a joint Banquet with the Order of ther Eastern Star for which I am totally gratified.

Fraternally Yours,

Worthy Grand Matron, Worthy Grand Patron, Elected Grand Chapter Officers and members of The Order of The-Eastern Star for Minnesota and its Jurisdiction:

During the Prince Hall Grand Lodge 99th Annual Communication, which adjourned September 22, 1993, the Prince Hall Masonic body Passed into law "THE DROPPING OF THE BLOOD LINE REQUIREMENT" for women wishing to petition for membership into the Order of the Eastern Star.

Be it therefore known and placed into law by the Order of the Eastern Star; Minnesota and its Jurisdiction a changing of the Bye-Law alleviating the "blood Line" requirement.

I would like for this change to be taken in a proper perspective. It is something good for the Order and that no one takes it as a personal vendetta by attempting to keep those women who fall under this category out. If received negatively, then I will act negatively.

This letter is to be read to at your 68th Annual Communication. Please see that each Chapter within this Jurisdiction, is supplied with a copy of this change.

Dear Mr. Peterson:

This past week, our Fraternity held its annual Convention and Dinner at your facilities.

I want to personally let you know that I sincerely appreciate the way your staff treated the members of the Fraternity I represent.

Ms. Carmen Johnson of the Sales and Catering Department, did an outstanding job in helping make our 99th Communication a successful one. She was never too busy to help us in our preparation for the Convention. Please let her know that we all appreciated her help and support. People like her make functions like the one we had, enjoyable.

I would also like to thank the Catering service for going that extra step in preparing additional meals when our guest count for the Banquet, exceeded the the number of dinner orders we had originally placed.

I look forward to the next time our Fraternity can possibly hold its Convention at the Comfort Inn, Airport.

## PROCLAMATION

From the office of the Most Worshipful Grand Master

Thank everyone for electing me back to the office and giving me my cabinet back.

I am granting dispensation to all lodges in the jurisdiction for the making of more than five masons at a time and more than one degree at a time. Effective this date until September 1994, with these instructions to the Worshipful Masters and District Deputy's. That all masons raised must go thru the middle chamber before they are raised to master masons.

After elections the Past masters degree will be given on December 11th, the second saturday of the month. It will be held at the Grand East 1708 Oak Park. In the outline areas the Past Masters, District Deputy's are to form a group to give the past masters degree.

The last meeting in the month of December for each lodge should be used to install the elected officers. This should be done by the District Deputy or in the outline lodges by a past master.

December 26th, 1993 is St. Johns the Evangelist day. The host lodge will be Theta Libertus #17. You will be contacted by the host lodge as to when and where the service will be held. In the outline lodges the District Deputy's will arrange for services at a local place.

Jethro lodge # 8 will host the district one and two visitation on saturday, January 22nd, 1994. The time is 1:00pm.

Worshipful master, wardens and brothers, We are in need of four sets of regalia for Grand lodge. Two District Deputy's and two Deputy Grand Lecturer's. Therefore we are asking if you will make a contribution toward the purchase of this regalia. Either as an individual or as a lodge. We need a response by no later than December 1st, 1993. Please contribute generously!

*Unity - a quality of oneness.*

Worshipful Masters, Wardens and Brothers:

As of now I am sure that you know that there is a great possibility Grand East will be sold under the following terms;

Grand East will be sold for \$175,000 with \$25,000 down with the buyers to assume current mortgage of \$88,700 and pay a contract for deed for 7 years. \$61,208 plus 8% per annum interest. Monthly payments will start April 5th 1994 at \$954.

Brothers, this leaves us in a position that we must look for office space for our archives and especially space for the Grand Secretary and Grand Treasurer. Therefore, we are asking you for permission to look into the possibility of purchasing low cost housing from HUD or whatever is available to rent or own as inexpensively as we can possibly find. However, the monthly cost should be no greater than if we have to just rent space in an office building.

During the contract for deed period as we build up funds we will be looking for a building that we can afford and that will handle our meeting and event needs, which will generate the funds to support itself.

We need to hear from your Lodges no later than December 25th 1993.

We have to take care of business. Therefore through our actions we have to become financially responsible to the fraternal order.

Brothers, we have been receiving bad checks from some of the Lodges. It is time to address this subject. All NSF checks received will have a \$30 penalty and late tax returns will be enforced at the already approved \$25 penalty.

Once again, I would like to wish you and yours a Happy Holiday and a prosperous healthy New Year.

Faternally yours,

Dear Grand Master,

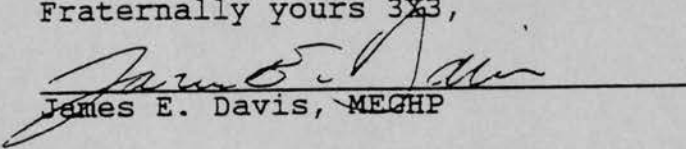

This communication is to inform you that members of my cabinet, others and myself will be in Minnesota on June 11, 1994, as requested by Steven Davis, your first Most Excellent Grand High Priest for the Minnesota Jurisdiction, to duly constitute the Grand Chapter of Holy Royal Masons, State of Minnesota and its Jurisdiction, with your permission.

Since our last Convocation on July 24, 1993, there have been many delays chartering this Grand Body. After consulting with my cabinet, I informed Companion Steven Davis in our last telephone conversation that each Chapter that will make up the Minnesota Jurisdiction must pay the full year taxes for 1994.

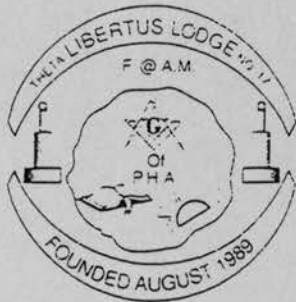

My Grand Secretary, Raymond Sims has prepared letters to inform each Chapter of the amounts owed by each. I expect payment to be by money order or certified check because of past mishaps.

If you wish to contact me by telephone, my number is (414) 354-1298.

Minneapolis, Mn 55419

Dear Sir:

This comes to make official the telephone conversation between you and the Special Deputy District Grand Master of Theta Libertus Lodge #17, Bro. Isaac H. Collins, Sr. on Saturday, May 7, 1994 regarding the lodge's interest to seek a dispensation.

In response to our inquest to re-locate to the Masonic Temple on 4th Ave. South Minneapolis, the cost to rent on a monthly basis was sent to us. The cost of \$180.00 appears to be higher than the lodge can afford at this time.

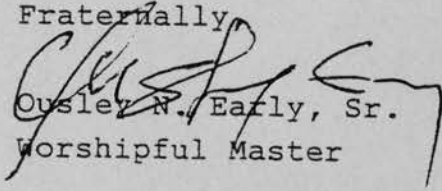

It is incumbent upon me to therefore request of your office the following dispensation:

- (1) that the lodge's bi-monthly meetings be dispensed to once a month,
- (2) that meeting begins at 8 p.m. and ends at 11 p.m. so as to allow 1½ hours for Business and 1½ hours for Instructions.
- (3) that the dispensation begins as of 6/24 and ends as of the 4th Friday in December 1994.

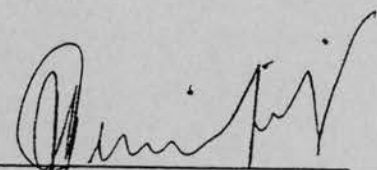

Hoping to have a continuous cordial working relation through out the year.

Kindest regards.

Fraternally,

GREETING:

THE COMMITTEE ESTABLISHED AT THE 99TH SESSION OF THIS GRAND LODGE TO STUDY THE H U B LOUNGE M.W.P.H. RESERVE SAVINGS ACCOUNT #7125172 AND CHECKING ACCOUNT #7710865 HAS PROVIDED THIS AUGUST BODY WITH ITS COMMENTS AND RECOMMENDATIONS.

THE COMMITTEE HELD FIVE MEETINGS, FOUR WAS FACT FINDING AND ONE WAS TO EVALUATE THE INFORMATION GATHERED.

THE BROTHERS INTERVIEWED WAS AS FOLLOWS: ROBERT JACKSON, CHARLES COOK, GEORGE LEONARD, MORRIS MILLER, JAMES ASH, CHARLES SNARGRASS, AND WILLIAM RICHARDSON.

AFTER EVALUATION OF THE INFORMATION THE COMMITTEE WAS CONCERNED AND RECOMMENDED THAT THE BEST WAY TO RSOLVE THIS PROBLEM WAS FOR THE CABINET TO MEET FACE TO FACE WITH PAST GRAND MASTER MILLER AND GET YOUR DIRECT RE-SPONSE TO THE QUESTIONS RAISED BY THEIR REPORT.

LASTLY, THEY RECOMMEND THAT THEIR REPORT AND YOUR SPECIFIC RESPONSE TO THE FOLLOWING QUESTION BE PRESENTED AT THE 100TH ANNUAL COMMUNICATION WERE AS THE BODY WILL DECIDE HOW TO RESOLVE THESE CONCERNS.

- 1) THE COMMITTEE DISCOVERED THE FOLLOWING CHECKS MADE OUT TO YOU BY BROTHER GEORGE LEONARD FROM THE H U B LOUNGE CHECKING ACCOUNT #7710865; #1754 DATED 4/18/90 FOR \$210.00; #1840 DATED 7/7/90 FOR \$91.00; AND #1864 DATED 7/26/90 FOR \$120.00. DO YOU REMEBER RECEIVING THESE CHECKS AND FOR WHAT PURPOSE WAS THE MONEY USED AND WAS THIS A PROPER PROCEDURE FOR DISPENSING FUNDS FOR GRAND LODGE BUSNIESS?
- 2) THE H U B LOUNGE RESERVE SAVINGS ACCOUNT EXISTED FROM 12//12/88 THRU 12/12/92. IT WAS CLOSED BY ORDER OF MOST WORSHIPFUL GRAND MASTER WILLIAM RICHARDSON ON 12/12/92. THE BALANCE OF \$31.58 WAS DEPOSITED INTO THE GENNERAL FUND ACCOUNT. \$25,718.98 WENT THRU THIS ACCOUNT DURING THE FOUR YEAR PERIOD. WHY WAS THIS ACCOUNT SET UP? UNDER WHO'S AUTHORITY WAS MONEY TAKEN OUT OF THE ACCOUNT AND FOR WHAT PURPOSES WAS THE MONEY USED?

3) THE COMMITTEE CAME TO THE FOLLOWING CONCLUSIONS; A. THAT THE ESTABLISHMENT OF THE RESERVE ACCOUNT TO BYPASS THE OFFICE OF THE TREASURER WAS A VIOLATION OF ARTICLE V, SECTION 1 AND ARTICLE VI, SECTION 1 OF THE BYLAWS OF THE MOST WORSHIPFUL PRINCE HALL GRAND LODGE OF MINNESOTA. THAT THE REQUIREMENT OF ONLY ONE SIGNATURE, THE GRAND SECRETARY CHARLES SNARDGRASS WAS MOST IRREGULAR AND INADVISABLE. THIS ALSO, INCLUDES THE FACT THAT THERE WAS NO VOUCHERS OR WRITTEN DOCUMENTATION INDICATING THE PURPOSE OF THE WITHDRAWALS. THE GRAND SECRETARY SNARGRASS ADVISED THAT THE WITHDRAWALS WAS MADE BY ORDER OF THE PAST GRAND MASTER MILLER.

B.) THE COMMITTEE FEELS THIS ACCOUNT EXISTED WITHOUT GRAND LODGE AUTHORITY. THE EXISTENCE OF THE ACCOUNT WAS NEVER REPORTED TO THE GRAND LODGE AND AT THE 97TH ANNUAL COMMUNICATION, THE GRAND LODGE AUDITING COMMITTEE WAS DENIED ACCESS TO THE INFORMATION REGARDING THIS ACCOUNT, ALTHOUGH THEY REQUESTED THE INFORMATION. THE TRANSFER OF FUNDS WITHOUT VOUCHERS VIOLATED ARTICLE III OF THE BYLAWS OF THE MOST WORSHIPFUL PRINCE HALL GRAND LODGE OF MINNESOTA. YOUR COMMENTS AND OR REBUTTALS TO THE CONCLUSIONS REACH BY THE COMMITTEE WILL NOW BE APPRECIATED.

May 5, 1994

Dear Supporters:

Greetings. Please allow me the opportunity to introduce myself and more especially, Prince Hall Grand Lodge F& A M for the Minnesota Jurisdiction. The Grand lodge for this jurisdiction was chartered in 1894. Within the Minnesota jurisdiction there are 13 masonic lodges in Minnesota, North Dakota and Canada with 400 members. Although we are small compared to some other jurisdictions, we stand on a solid foundation, remain moral and upright before God and are growing.

We are a fraternity built on the principals of ancient masonry, builders dating back to the days of King Solomon. We are an international fraternity that is older than any other dedicated to the betterment of its members and all mankind. We are a giving fraternity that is devoted to assisting the community at large.

1994 marks the 100th anniversary of the Prince Hall Grand Lodge for the Minnesota Jurisdiction. Maintaining unity and harmony within an organization such as ours is surely a great accomplishment. Such a milestone is deserving of celebration. Therefore, at our 100th Annual Communication, we are preparing a brochure that is worthy of 100 years. We would like this years brochure to be bigger and better than any produced before.

In order to accomplish our goal, we need your support. We are asking your support by placing an ad in this years's brochure.

Ad prices are: \$100.00 for a full page ad  
\$ 60.00 for a half page ad  
\$ 40.00 for a quarter page ad  
\$ 5.00 for a patron ad

For a picture include an additional five dollar.

We appreciate your support in the form of an advertisement. Although we would like all full page ad subscriptions, any support you provide will be surly acknowledged and most definitely appreciated. Thank You.

Honorable William E. Richardson

Dear Honorable Grand Master Richardson

On June 1993 the Companions of Omar Chapter voted to separate from the Wisconsin Jurisdiction Of H.R.A.M. and form a new Grand Chapter of Royal Arch Masons. This historic action was followed by Hiram Chapter in North Dakota and Mount Moriah Chapter in Alberta Canada.

All information has been sent to the Wisconsin Grand Chapter needed for this historic transformation. It is time to come together and create a Grand Body which will become the best in the nation. Due to constant problems in scheduling the installation we have not completed the final step, the Installation of our Grand Officers. Time is running out and it is now time to act. We would like to invite you to our Installation. The Installation is Saturday June 11, 1994 at 11:00am. We ask all companions to assemble at the Prince Hall Masonic Temple 3832 4th Ave So at 10:30am, to receive you and the Grand Chapter Officers Of Wisconsin at 11:00am for this Historic Installation. Worshipful Master MCNeir:

Enclosed is a copy of the District Deputy's Michael Lancaster's letter. He is my legal representative. and under my direct orders. Based on his report and also, on our July 31, phone conversation, where you gave your personal assurance that you would comply with article five, section nine of the Constitution and Bylaws of the Most Worshipful Prince Hall Grand lodge of Minnesota and its Jurisdictions.

I have since found out from this report that certain books were not available for inspection. The audit revealed the lodge is in disarray and proper respect was not given to my representative.

Therefore, I have no other choice, but to arrest the charter until this matter is cleared up. Your lodge is not to have any lodge meetings or masonic sponsored functions until I have assurance from District Deputy Michael Lancaster that this matter has been cleared up.

If, this matter has not been cleared up by the time Grand lodge convenes. The status of your charter will be presented to the Grand lodge for their consideration.

FAILURE TO RECORD OR FILE THIS CONTRACT FOR DEED MAY GIVE OTHER PARTIES  
AND THE CREDITORS RIGHTS TO THE PROPERTY

PURCHASER'S ELECTION TO REBUILD. If Purchaser is not in default under this contract, or after curing any such default, and if the mortgagees in any prior mortgages and sellers in any prior contracts for deed do not require otherwise, Purchaser may elect to have that portion of such insurance proceeds necessary to repair, replace or restore the damaged Property (the repair work) deposited in escrow with a bank or title insurance company qualified to do business in the State of Minnesota, or such other party as may be mutually agreeable to Seller and Purchaser. The election may only be made by written notice to Seller within sixty days after the damage occurs. Also, the election will only be permitted if the plans and specifications and contracts for the repair work are approved by Seller, which approval Seller shall not unreasonably withhold or delay. If such a permitted election is made by Purchaser, Seller and Purchaser shall jointly deposit, when paid, such insurance proceeds into such escrow. If such insurance proceeds are insufficient for the repair work, Purchaser shall, before the commencement of the repair work, deposit into such escrow sufficient additional money to insure the full payment for the repair work. Even if the insurance proceeds are unavailable or are insufficient to pay the cost of the repair work, Purchaser shall at all times be responsible to pay the full cost of the repair work. All escrowed funds shall be disbursed by the escrowee in accordance with generally accepted sound construction disbursement procedures. The costs incurred or to be incurred on account of such escrow shall be deposited by Purchaser into such escrow before the commencement of the repair work. Purchaser shall complete the repair work as soon as reasonably possible and in a good and workmanlike manner, and in any event the repair work shall be completed by Purchaser within one year after the damage occurs. If, following the completion of and payment for the repair work, there remain any undisbursed escrow funds, such funds shall be applied to payment of the amounts payable by Purchaser under this contract in accordance with paragraph 8 (a) above.

9. INJURY OR DAMAGE OCCURRING ON THE PROPERTY.

(a) LIABILITY. Seller shall be free from liability and claims for damages by reason of injuries occurring on or after the date of this contract to any person or persons or property while on or about the Property. Purchaser shall defend and indemnify Seller from all liability, loss, costs and obligations, including reasonable attorneys' fees, on account of or arising out of any such injuries. However, Purchaser shall have no liability or obligation to Seller for such injuries which are

caused by the negligence or intentional wrongful acts or omissions of Seller.

(b) LIABILITY INSURANCE. Purchaser shall, at Purchaser's own expense, procure and maintain liability insurance against claims for bodily injury, death and property damage occurring on or about the Property in amounts reasonably satisfactory to Seller and naming Seller as an additional insured.

10. INSURANCE, GENERALLY. The insurance which Purchaser is required to procure and maintain pursuant to paragraphs 7 and 9 of this contract shall be issued by an insurance company or companies licensed to do business in the State of Minnesota and acceptable to Seller. The insurance shall be maintained by Purchaser at all times while any amount remains unpaid under this contract. The insurance policies shall provide for not less than ten days written notice to Seller before cancellation, non-renewal, termination or change in coverage, and Purchaser shall deliver to Seller a duplicate original or certificate of such insurance policy or policies.

11. CONDEMNATION. If all or any part of the Property is taken in condemnation proceedings instituted under power of eminent domain or is conveyed in lieu thereof under threat of condemnation, the money paid pursuant to such condemnation or conveyance in lieu thereof shall be applied to payment of the amounts payable by Purchaser under this contract, even if such amounts are not then due to be paid. Such amounts shall be applied first to unpaid accrued interest and next to the installments to be paid as provided in this contract in the inverse order of their maturity. Such payment shall not postpone the due date of the installments to be paid pursuant to this contract or change the amount of such installments. The balance, if any, shall be the property of Purchaser.

12. WASTE, REPAIR AND LIENS. Purchaser shall not remove or demolish any buildings, improvements or fixtures now or later located on or a part of the Property, nor shall Purchaser commit or allow waste of the Property. Purchaser shall maintain the Property in good condition and repair. Purchaser shall not create or permit to accrue liens or adverse claims against the Property which constitute a lien or claim against Seller's interest in the Property. Purchaser shall pay to Seller all amounts, costs and expenses, including reasonable attorneys' fees, incurred by Seller to remove any such liens or adverse claims.

13. DEED AND MORTGAGE REGISTRY TAXES. Seller shall, upon Purchaser's full performance of this contract, pay the deed tax due upon the recording or filing of the deed to be delivered by Seller to Purchaser. The mortgage registry tax due upon the recording or filing of this contract shall be paid by the party who records or files this contract; however, this provision shall not impair the right of Seller to collect from Purchaser the amount of such tax actually paid by Seller as provided in the applicable law governing default and service of notice of termination of this contract.

14. NOTICE OF ASSIGNMENT. If either Seller or Purchaser assigns their interest in the Property, a copy of such assignment shall promptly be furnished to the non-assigning party.

15. PROTECTION OF INTERESTS. If Purchaser fails to pay any sum of money required under the terms of this contract or fails to perform any of Purchaser's obligations as set forth in this contract, Seller may, at Seller's option, pay the same or cause the same to be performed, or both, and the amounts so paid by Seller and the cost of such performance shall be payable at once, with interest at the rate stated in paragraph 4 of this contract, as an additional amount due Seller under this contract. If there now exists, or if Seller hereafter creates, suffers or permits to accrue, any mortgage, contract for deed, lien or encumbrance against the Property which is not herein expressly assumed by Purchaser, and provided Purchaser is not in default under this contract, Seller shall timely pay all amounts due thereon, and if Seller fails to do so, Purchaser may, at Purchaser's option, pay any such delinquent amounts and deduct the amounts paid from the installment(s) next coming due under this contract.

16. DEFAULT. The time of performance by Purchaser of the terms of this contract is an essential part of this contract. Should Purchaser fail to timely perform any of the terms of this contract, Seller may, at Seller's option, elect to declare this contract cancelled and terminated by notice to Purchaser in accordance with applicable law. All right, title and interest acquired under this contract by Purchaser shall then cease and terminate, and all improvements made upon the Property and all payments made by Purchaser pursuant to this contract shall belong to Seller as liquidated damages for breach of this contract. Neither the extension of the time for payment of any sum of money to be paid hereunder nor any waiver by Seller of Seller's rights to declare this contract forfeited by reason of any breach shall in any manner affect Seller's right to cancel this contract because of defaults subsequently occurring, and no extension of time shall be valid unless agreed to in writing. After service of notice of default and failure to cure such default within the period allowed by law, Purchaser shall, upon demand, surrender possession of the Property to Seller, but Purchaser shall be entitled to possession of the Property until the expiration of such period.

17. BINDING EFFECT. The terms of this contract shall run with the land and bind the parties hereto and their successors in interest.

September 1, 1994

Worshipful Master, Brothers  
Greeting,

Last year our Grand Lodge awarded a three hundred dollar scholarship to Mr. Dyer, a freshman at St. Thomas College in St. Paul, Minnesota. The scholarship was a small token of financial support, when you consider the annual cost of a college education.

Continuing this once forgotten tradition of investing in our youth, is but, one of many ways we as Mason's have to display our Brotherly Love and Community Service.

Late this summer I met with the Grand Master of Minnesota A.F. & AM Lodge, and discussed a joint scholarship fundraising effort. The seeds of that discussion have resulted in a joint commemorative pin, with the logo of the Prince Hall Grand Lodge of Minnesota (100 yrs) and their logo.

The labor of this is a joint fund raiser for the scholarship fund. I'm asking each of you to support me and to purchase/sale 21 of the commemorative pins at \$6 each.

Please forward the proceeds of this purchase and the enclosed scholarship application to my chairman of the scholarship committee by September 20, 1994.

The fruit of our efforts will be the awarding of a scholarship in October 1994.

Thanking, in advance for your continued support.

Fraternally.

From: The Prince Hall Grand Lodge Cabinet

Subject: May 6th Meeting with Past Grand Master  
Morris Miller

It is recommended by the Prince Hall Grand Lodge Cabinet that we follow the recommendations of paragraph three of the Investigating committee's recommendations. We are therefore submitting this matter to the 100th Annual communication, for its action.

The following is a summary of the answers we received from the Past Grand Master Morris Miller to the questions in our May 6th memo to P.G. M. Morris Miller. A copy of that memo is attached.

Question #1. The answer received was an acknowledgement that funds was received by check from George Leonard the Past Masters Council manager of the HUB Lounge. The details are not clear in his mind. However, those fund was used for travel expenses. He had situations where he could not get in contact with his treasurer to procure funds for travel. He would than get these funds on an emergency basis from the manager of the HUB Lounge. The P.G..M. realized this was not the proper procedure to draw funds, but because of his enablity to make contact with the treasurer when he needed the money for travel, he drew on those funds.

Question # 2. The answer. The only account he was aware of was the the one set up by the Past Masters Council. He was not aware of any other account and never gave his approval to set up any other reserve saving account. Any monies taken out was used to defry the expense of Grand Lodge. These monies was only drawn on an emergency basis.

Grand Master William Richardson, asked specifically why was there only one signature requirement on the reserve saving account. P.G.M. Morris Miller once again advised he did not know that there was only a one signature requirement. He then restated he did not know that this particular account existed. The only one he had any knowledge about was the one established by the Past Masters Council. He then stated it was not his fault that Grand Lodge Officers did not perform their duties properly.

Question # 3. P.G.M. Morris Miller, categorically denied all claims made in that question.

Brethren, Please advise what your pleasure may be in resolving this issue!

GREETING:

THE COMMITTEE ESTABLISHED AT THE 99TH SESSION OF THIS GRAND LODGE TO STUDY THE H U B LOUNGE M.W.P.H. RESERVE SAVINGS ACCOUNT #7125172 AND CHECKING ACCOUNT #7710865 HAS PROVIDED THIS AUGUST BODY WITH ITS COMMENTS AND RECOMMENDATIONS.

THE COMMITTEE HELD FIVE MEETINGS, FOUR WAS FACT FINDING AND ONE WAS TO EVALUATE THE INFORMATION GATHERED.

THE BROTHERS INTERVIEWED WAS AS FOLLOWS: ROBERT JACKSON, CHARLES COOK, GEORGE LEONARD, MORRIS MILLER, JAMES ASH, CHARLES SNARGRASS, AND WILLIAM RICHARDSON.

AFTER EVALUATION OF THE INFORMATION THE COMMITTEE WAS CONCERNED AND RECOMMENDED THAT THE BEST WAY TO RSOLVE THIS PROBLEM WAS FOR THE CABINET TO MEET FACE TO FACE WITH PAST GRAND MASTER MILLER AND GET YOUR DIRECT RESPONSE TO THE QUESTIONS RAISED BY THEIR REPORT.

LASTLY, THEY RECOMMEND THAT THEIR REPORT AND YOUR SPECIFIC RESPONSE TO THE FOLLOWING QUESTION BE PRESENTED AT THE 100TH ANNUAL COMMUNICATION WERE AS THE BODY WILL DECIDE HOW TO RESOLVE THESE CONCERNS.

- 1) THE COMMITTEE DISCOVERED THE FOLLOWING CHECKS MADE OUT TO YOU BY BROTHER GEORGE LEONARD FROM THE H U B LOUNGE CHECKING ACCOUNT #7710865; #1754 DATED 4/18/90 FOR \$210.00; #1840 DATED 7/7/90 FOR \$91.00; AND #1864 DATED 7/26/90 FOR \$120.00. DO YOU REMEBER RECEIVING THESE CHECKS AND FOR WHAT PURPOSE WAS THE MONEY USED AND WAS THIS A PROPER PROCEDURE FOR DISPENSING FUNDS FOR GRAND LODGE BUSNIESS?
- 2) THE H U B LOUNGE RESERVE SAVINGS ACCOUNT EXISTED FROM 12//12/88 THRU 12/12/92. IT WAS CLOSED BY ORDER OF MOST WORSHIPFUL GRAND MASTER WILLIAM RICHARDSON ON 12/12/92. THE BALANCE OF \$31.58 WAS DEPOSITED INTO THE GENNERAL FUND ACCOUNT. \$25,718.98 WENT THRU THIS ACCOUNT DURING THE FOUR YEAR PERIOD. WHY WAS THIS ACCOUNT SET UP? UNDER WHO'S AUTHORITY WAS MONEY TAKEN OUT OF THE ACCOUNT AND FOR WHAT PURPOSES WAS THE MONEY USED?

3) THE COMMITTEE CAME TO THE FOLLOWING CONCLUSIONS; A. THAT THE ESTABLISHMENT OF THE RESERVE ACCOUNT TO BYPASS THE OFFICE OF THE TREASURER WAS A VIOLATION OF ARTICLE V, SECTION 1 AND ARTICLE VI, SECTION 1 OF THE BYLAWS OF THE MOST WORSHIPFUL PRINCE HALL GRAND LODGE OF MINNESOTA. THAT THE REQUIREMENT OF ONLY ONE SIGNATURE, THE GRAND SECRETARY CHARLES SNARDGRASS WAS MOST IRREGULAR AND INADVISABLE. THIS ALSO, INCLUDES THE FACT THAT THERE WAS NO VOUCHERS OR WRITTEN DOCUMENTATION INDICATING THE PURPOSE OF THE WITHDRAWALS. THE GRAND SECRETARY SNARGRASS ADVISED THAT THE WITHDRAWALS WAS MADE BY ORDER OF THE PAST GRAND MASTER MILLER.

B.) THE COMMITTEE FEELS THIS ACCOUNT EXISTED WITHOUT GRAND LODGE AUTHORITY. THE EXISTENCE OF THE ACCOUNT WAS NEVER REPORTED TO THE GRAND LODGE AND AT THE 97TH ANNUAL COMMUNICATION, THE GRAND LODGE AUDITING COMMITTEE WAS DENIED ACCESS TO THE INFORMATION REGARDING THIS ACCOUNT, ALTHOUGH THEY REQUESTED THE INFORMATION. THE TRANSFER OF FUNDS WITHOUT VOUCHERS VIOLATED ARTICLE III OF THE BYLAWS OF THE MOST WORSHIPFUL PRINCE HALL GRAND LODGE OF MINNESOTA. YOUR COMMENTS AND OR REBUTTALS TO THE CONCLUSIONS REACH BY THE COMMITTEE WILL NOW BE APPRECIATED.

RECOMMENDATIONS

We feel that this matter should be resolved prior to the 100th Annual Communication if possible. One method of resolution would be to have a face to face meeting with Past Grand Master Miller. At this time he will be advised of the concerns and submit to him a written statement about the Grand Lodge's concerns with specific questions that have been raised in this report. Then afford him an opportunity to respond to each question in a specific and concise manner. This may clarify the matter satisfactorily and then the full report, including the committee's activities could be submitted to the 100th Annual Communication for its decision.

Another way of attempting to resolve the matter would be a Masonic trial of Past Grand Master Miller, since he was the Chief Executive at the time these events occurred and is accountable. Although there was enough wrong to go around, it would be difficult or perhaps not possible to file charges against any of the other person involved. Should charge be filed against Past Grand Master Miller, one should be aware that adverse information of Masonry may be spread outside of the Masonic family and to other Masonic jurisdictions.

If Past Grand Master Miller's reply does not satisfactorily address the issues, there is still the option for a Masonic trial or submitting the matter to the 100th Annual Communication, for its action.

Most Worshipful Grand Master, Honorable William A. Richardson

**September, 20th, 1994**

**R.w. Grand Junior Warden Annual Report**

To the Most Worshipful Grand master, Officers and Members of the Most Worshipful Prince Hall Grand Lodge, Free and Accepted Masons, Minnesota And its Jurisdiction.

Greetings on our 100th session:

Masonry is a speculative art founded on the operative principles of masonry. It teaches us to act as men, and meet on the square, working together to build that building not made with hands, eternal in the heavens.

This being our 100th anniversary, We are force to contemplate from whence we came "From lyles to Richardson". Our heads should be held high and thanks given to the Grand Architect of the Universe for allowing this organization to exist for so many years. We should also, look below and observe the work that must be done for the next 100 years. Brotherly love, harmony, action and team support must be the cement that binds us to the challenges that lie ahead.

We have been blessed with a hard working Grand Master who never backs down from the challenge of making money for this Grand lodge, a prime example is his procurement of advertising for our 100th Grand Lodge Brochure.

This leadership by example has made the performance of my duties in Grand Lodge much easier. I attended most of the cabinet meetings. I performed the duties assigned to me by the Grand Master. Some of these are the overseeing of the Hub Lounge and now the Masters Club. Chairing the transportation committee, taking minutes and sending out communication as requested by the Grand Master.

*Unity - a quality of oneness.*

*From the Office of Worshipful Master*

Greetings Brother of Palestine Lodge No. 7:

I would like to thank the members of Palestine Lodge #7 for electing me as Worshipful Master. It is both an honor and privilege to serve in this important office. The 101th year of the existence of our Grand Lodge, along with the 70th Anniversary of Palestine Lodge No. 7 has now begun. These events are to be celebrated because few organizations see these anniversaries and few people live to witness these events. I hope all members can attend as many meetings as possible so we can plan celebrations for these events.

Many things have happened this year:

→ Palestine Lodge has claimed the building used for the Spruce Tree Lounge at 3638 4th Avenue South from the State Department Of Revenue.

→ Palestine Lodge sponsored the first Masters and Matrons Ball celebrating their accomplishments on August 6, 1994.

→ Palestine Lodge hosted St. John Baptist day in June.

→ The Grand Lodge now rents the building at 3836 4th Ave and now uses it as the Grand East with offices upstairs and, has started a bottle club called the Masters Club. The Masters Club is now open from 6:00pm to 12:00pm Sunday through Saturday. As a member of Palestine Lodge you are eligible to join. Memberships are available for \$30.00 a year with a one time \$5.00 lock fee. Please **COME OUT** and see your friends and support your club. Palestine Lodge No. 7 will receive a donation of the profits as rent for the building.

→ Palestine Lodge is planning a raising on Saturday, November 26, 1994.

→ This Year Palestine Lodge is hosting 101 Annual Communication of our Grand Lodge.

→ I INVITE ALL Palestine Lodges members to attend our next meeting and afterwards, tour of our newest club or just drop by to see the new club.

→ We have elected a new secretary so don't forget to check your dues card, our new secretary's address is on the letterhead. Please pay your dues.

With Brotherly Love  
Steven C. Davis

## REPORT OF COMMITTEE ON FOREIGN CORRESPONDENCE

To: Most Worshipful Grand Master, William A. Richardson, Sr.;  
Visiting Grand Masters; Grand Lodge Officers; Visiting Grand Lodge  
Officers; Worshipful Masters; Wardens and Brothers of the Craft,  
and our honored visiting Brethren.

### GREETINGS:

Paying honor to the Grand Architect of the Universe for the  
many blessings of the past, present and future. GOD has been good  
to all of us.

Every Grand Lodge does not send a copy of their proceedings to  
every Grand Lodge. Proceeding cost money. Postage cost money.  
If Minnesota doesn't send out proceeding it can not expect other  
jurisdictions to keep sending us theirs.

It will be difficult for Minnesota to do some of the things  
other jurisdictions do because of the difference in membership.  
At \$25.00 each from 2 or 3,000 you can do things. At \$25.00  
requested from 500 members and only one half respond, what have  
you got? Not enough. So it will be hard for us to keep up with a  
jurisdiction with 5,000 membership.

Sometimes we think we are the only ones with troubles or  
problems. Other jurisdictions have problems also. There are  
Lodges with seven or nine members in some parts of the country.  
Other jurisdictions have had to borrow money from some of their  
dedicated funds. Some have had correspondence with I.R.S.

What if we had 140 or more of our members to lay down their  
working tools in one year. It happen in one jurisdiction last  
year. What if we suspended over 450 members in one year. It  
happened in one jurisdiction in one year.

Will we ever receive a gift of over \$85,000.00 from one  
Brother's will? One jurisdiction did!

To travel around some states is a one day journey. To travel  
around the Minnesota Jurisdiction can be a problem. Maybe some  
day we will travel by bus to Grand Forks and Minot, North Dakota;  
on to Calgary and Edmonton, Alberta Canada; then on to Winnipeg,  
Manitoba, Canada. Followed by a trip north to Duluth. Next on to  
Rochester and points west to Worthington, Sioux Falls and Yankton,  
South Dakota. We should not stop dreaming.

*Unity - a quality of oneness.*

OFFICE OF: page 2, Report of C.C.F.C.

I can go on and on with comparing jurisdictions. It won't help Minnesota. We must do the best we can with what we have to work with. We can not ignore the past. We all must bear some responsibility for the success or demise of Freemasonry.

We must prepare for the future. A computer is only as good as the information put into it. For a report to be complete and accurate all lodges would have to submit the information requested on time every time.

Sometime in the near future all Grand Lodges may be connected via electronic mail, FAX.

I hope some day Minnesota will be able to send a proceeding to all jurisdictions.

May the Grand Architect of the Universe continue to bless and protect Freemasonry.

Fraternally,

Martin O. Weddington, P.G.M.  
Chairman C.F.C.

C.C. William A. Richardson, Sr.  
Most Worshipful Grand Master

Most Worshipful Grand Master, Past Grand Masters, Officers, Members of  
the Subordinate Lodges of Minnesota Jurisdiction and visitors.

First, we give thanks to God for his blessings. Out of darkness, came  
light.

Honorable Grand Master Richard A. Richardson, with your leadership  
and guidance, you have proven to us that it can be done. Further, we the  
Committee, reviewed your many activities. With the travel of the Deputy  
Grand Master, Charles E. Milliner, the experience you two gained must  
have been invigorating. Our observation in respect to your other officers  
is beneficiary to this jurisdiction.

Most Worshipful Grand Master, as you have entrusted this, your servants  
of this appointment, we are grateful. May the success of our jurisdiction  
continue the progress you are striving to attain.

Respectfully,

Otis Spencer
