Greetings:

As Sovereign Grand Commander it is my pleasant task to welcome each of you to the 118th Annual Session of The United Supreme Council Ancient and Accepted Scottish Rite of Freemasonry, Prince Hall Affiliation, Northern Jurisdiction, U.S.A., Inc. I am proud to extend a warm welcome to Ohio's "Queen City," Cincinnati, Ohio. As a native of the Buckeye State it gives me great pleasure to welcome each of you to my home state. I can assure you that the members of this Orient have left no stone unturned in their planning and execution of this session. Enjoy Ohio-style hospitality.

Samuel Brogdon, Jr., 33°
Sovereign Grand Commander

Drifting with the current down a moonlit stream,
While above the heavens in their glory gleam
And the stars on high — Twinkle in the sky.
Seeming in a paradise of love divine
Dreaming of a pair of eyes that looked in mine.
Beautiful Ohio in dreams again I see
Visions of what used to be.

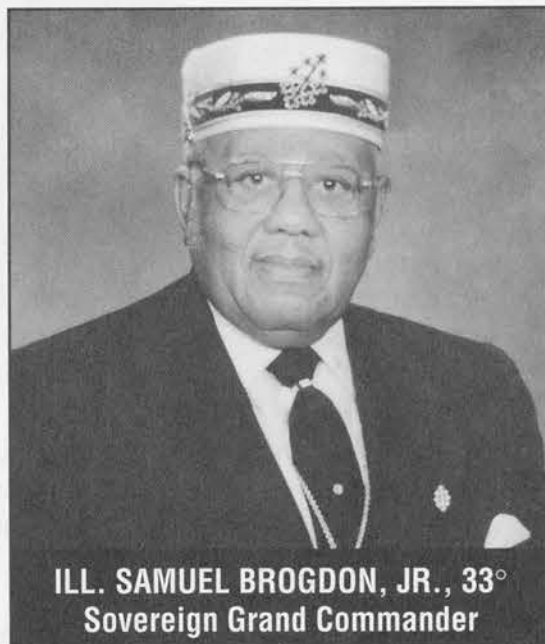

As we assemble for the last Supreme Council Session of the century may we reflect upon our past, learn from our present and plan for a better and brighter future. We are on the brink of a new age in Scottish Rite Masonry. Our deliberations and actions will indeed set the tone for the future. It is our prayer that your experience at this Supreme Council Session will be meaningful and that you will return to your various Orients with renewed interest to continue the work before us. The future of the Order rests with each of us. We have the power to control our own destiny, to write our own history and to secure our own future.

Chartered November 10, 1911

Miami Consistory No. 26 was established in Troy, Ohio on November 10, 1911. There were 19 members named in the charter, all residing in the cities of Troy and Piqua. The Consistory met in Troy, Ohio in the Lodge Hall owned by Miami Lodge No. 48 until October 2, 1977 when the meeting place was moved to the Masonic Temple in Dayton at 2531 Germantown Street. The move was necessary due to the age of the membership in Miami Lodge No. 48 and the expense of maintaining the Lodge Hall. From the original 19 members in 1911, Miami Consistory has shown tremendous growth, with a membership high of 741 in 1985. Present membership is approximately 630. We are proud to be home Consistory of Illustrious Oliver W. Sumlin, who served as the 10th Deputy of the Orient from 1989 to 1996.

PEACE

*Peace comes not from without, but from within. You can have it in the spring of youth or in the winter of age, in the stately mansion or in the lowly cottage, in perfect health or in great pain. The secret of peace is in discipleship with Jesus Christ. You can have peace in the midst of your storms, if you have Christ. Jesus is a shelter and a strong tower from the enemy. He's a bridge over troubled waters and the soul's haven of rest. When we walk with Him we will have mastered the secret of **that peace** that "passeth all understanding." And so it is.*
