RE: EwaldTree Planting/Plaque - Neiman Photos

Enclosed please find two envelopes, one containing 24 and the other containing 25 photos from the Oct. 24 event. (Please return them when you are finished.)

Please pick a photo from among these that would be appropriate to send to Mrs. Ewald, the mayors, and Mr. Rapson. I would appreciate your contacting Dave Neiman and asking him if he would let us have the negatives. If not, how much would it cost for duplicates to be made?

I'll wait to hear from you. Thank you.

Dear Heather:

Enclosed please find three photos taken during the Russian delegation's visit to Lowertown Redevelopment Corporation's offices. I hope you will find them useful.

May I ask if you could find me a copy of Neal Peirce and Kurt Johnson's recent study of Research Triangle? I am very interested in this project and would like to get a copy of their study. Thank you.

Sincerely,

Weiming Lu
