MEMORANDUM FOR PEGGY RAINWATER

FROM: MIKE BERMAN *MB*
SUBJECT: President's Advisory Council on
Historic Preservation

I have been informed that Dr. Ruthann^x Knudson, a research archaeologist at the University of Idaho, has been nominated to the President's Advisory Council on Historic Preservation. I would like to recommend that she be appointed to fill one of the vacancies on the council. She comes from Duluth -- highly regarded, and has gone on to do great things in the field of archaeology. If I can be of any further assistance on this matter, please don't hesitate to contact me.

Dear Dr. Kromkowski,

Thank you for sending to the Vice President a copy of your December 13 letter to President Carter. We share your concern about ethnic representation on the U.S. Commission on Civil Rights. I have let Stephen Aiello, the President's new special assistant for ethnic affairs, know about your interest in the CCR, and I'm sure he will be responsive to your views.

MEMORANDUM TO THE VICE PRESIDENT

FROM: JIM DYKE

SUBJECT: CIVIL RIGHTS COMMISSION/BAMBI CARDENAS^A

There is presently a vacancy on the Civil Rights Commission to which the White House would like to appoint Bambi Cardenas^xRamirez. There is a need to clear this with Congressman Gonzalez and other members of the Hispanic Caucus in general, but especially with Gonzalez since Bambi now lives in Texas. ^x

Congressional Liaison, White House Personnel and our office all feel that we stand a better chance of getting Gonzalez to support Bambi's appointment if you raise it during your appearance for him.

We suggest you stress that you've known Bambi for years, that she worked for you on the Hill on a range of issues dealing with children, education and Hispanic affairs, and that she served admirably as Director of HEW's Office of Children, Youth and Families. She recently left that position to return to Texas to be with her husband and their recently born child.

Dear Staa:

James

Thanks so much for your note regarding Commissioner Quello, and the question of burdensome FCC regulations. I've heard the same views elsewhere and have already been in touch with people in the Administration regarding this appointment. It's too early, of course, to say precisely what will happen, but you make a good case and I know there's support here for it. I'll try to follow through.

I hope all's well with you, and I hope we'll have a chance to get together again soon. Warmest regards.

Sincerely,

Walter F. Mondale

Dear Walter:

I know you have been busy with the Ayatollah, Afghanistan, campaigning and whatever else; and it is no surprise to me that you have not been able to return my call.

You will recall only too well when you were running for election that you and the President campaigned for less government regulation; and although it is true that some regulations have been removed at the FCC, it is also true that the FCC today is, for whatever reason, correctly or incorrectly, perceived by most broadcasters to pose a greater threat than has ever been the case heretofore. (As a matter of fact, I would like to talk to you about this because it is a serious problem.)

One quick and easy way to help alleviate this problem would be the reappointment of James Quello to the Commission. Commissioner Quello is a decent man of great integrity and a man who is trusted by broadcasters. In addition, he is a first-rate representative of the Italian-American community; and I heartily recommend his reappointment and would hope you would be able to see fit to act on Commissioner Quello's behalf. If the administration were to reappoint Mr. Quello, I think it would be seen by all broadcasters as an act of good faith.

I hope everything is well with you, Joan and the family and that you have a wonderful 1980.

Best personal regards,

Stanley

Walter:

I know that you and Joan are very interested in the arts. You may be aware that the Picasso collection is coming to the Walker Art Center. It is Picasso's personal collection, and it will be shown only at the Walker Art Center and then at the Museum of Modern Art in New York City. After these two showings in America, the entire collection will be returned to a special permanent Picasso exhibit in Paris. I understand it **will not** be traveling ever again. On the evening of the 20th of March, we have arranged to have the exhibit made available to our guests. If you and Joan, or either one of you, would care to join us for that private showing, it would be our great privilege to have you. If you are interested, won't you please have your secretary call Connie Eckert at KSTP (612-645-2724, X238).

Dear Mr. Cary:

Dear Mr. Vice President:

The Vice President and Mrs. Mondale have asked that I thank you for your kind invitation to them to join you and Mrs. Cary for a dinner and special viewing of the Picasso exhibition at the Walker Art Center in Minneapolis on February 14. IBM are pleased to have had a part in making this exhibition possible.

They are pleased indeed that you have thought of them in connection with this important exhibition but, regrettably, the commitments they have already assumed for that time preclude their being able to accept your gracious invitation. They have asked that I send you their personal thanks, however, and their warmest best wishes.

MEMORANDUM FOR JIM JOHNSON

FROM: ERIC VAUGHN

You asked me to find out if there is currently a position available on a Federal Bank Board in the Chicago area.

There is a position open on the Federal Home Loan Bank Board (FHLBB) in Chicago. The Bank of Chicago serves as the Federal Home Loan Bank Board for the Chicago Region.

The position that is now available is for the President of the FHLBB. Because of the nature of the relationship between the FHLBB and the Bank of Chicago a quasi-independent status has developed over the selection of people to fill vacancies on the Board. The Bank of Chicago has interviewed several candidates and submitted one name recently for approval by the FHLBB. The name was rejected and the Bank was asked to perform a wider search for a more acceptable candidate.

If you have a possible candidate in mind for this position, I would suggest we contact the Bank of Chicago directly to suggest that a particular name be considered for the position of President for the Regional Federal Home Loan Bank Board.

FROM: RICHARD MOE

SUBJECT: FEDERAL MEDIATOR POSITION/ROBERT NORGREN

It has come to my attention that a good friend of ours, Bob Norgren, is interested in becoming a mediator with the Federal Mediation Service. Bob has thirty years of experience in labor/management relations. Most of that time he has served with the Service Employees' Union in Minnesota. Bob's practical experience as an organizer, negotiator and business manager makes him well qualified for a position in the labor relations field. Bob's fairness and integrity would make him an excellent federal mediator.

We would be very grateful for every consideration you could give to Bob Norgren's candidacy. If you have any questions on this matter, please do not hesitate to contact me.

Thank you for your assistance.

Dear friend Fritz:

I don't usually send a letter to make a request. but I realize that your time and schedule may not permit a meeting.

as you know I have spent 30 years as a labor-organizer with the Hotel, Rest. and Bartenders Union. and during that time enjoyed stomping the state for our D.F.L. family. I am still out stomping. --- this time for myself. and I would like to enlist your support.

I have submitted my application for the position of federal mediator and would be both pleased and honored to accept that position if it would become available. The current problem seems to be the cut back in the hiring of federal employees.

Federal Mediator Bart Hess has given me much encouragement to write to you in regards to this matter.

your efforts will be appreciated and be of great help to me.

Thanks so much.

Best regards to you, Joan, and the family
Cordially

Bob Norgren
