

AMBASSADOR OF  
THE UNITED STATES OF AMERICA  
TOKYO

December 2, 1995

Dear Fellow Crystal Ball Attendees:

Greetings and welcome to the 1995 Crystal Ball. I am pleased and honored to be hosting this very special evening lauding the accomplishments of the ACCJ. Joan and I hope that your "Roaring 20's" will be a true celebration of a successful year.

The American Chamber of Commerce in Japan plays an important role in fostering improved relations between Japan and the United States. As I have said before, I believe that the relationship between the U.S. Embassy and the ACCJ may be the best of its kind in the world. I am very pleased that this special association has continued to strengthen during the past year. We appreciate your insights into the realities of doing business in Japan, our most important trading partner. Your tireless efforts steadily improve the chances for the success of U.S. companies in this difficult market and bring us all closer to our shared goals.

Tonight we celebrate your endeavors and our ongoing partnership, I look forward to sharing this special evening with you and continuing our work together in 1996.

With best wishes,

Dear Ms. Pedersen,

I am forwarding the letter Ambassador Mondale wrote for the program for the Ball last year. If he would be so kind as to send us another one or change the date for this one, we would greatly appreciate it.

Also, we would be honored if Ambassador Mondale and Mrs. Mondale could begin the dancing for the Ball, by dancing to the first dance. Please let me know at your earliest convenience regarding these issues. Thank you very much for your cooperation.
