Dear Fritz,

How good it was to hear from you! The letter you so shrewdly sent to Chuck's office has just caught up with me, and I hasten to respond to your lovely invitation to attend the Earth Day concert of the Greater Twin Cities' Youth Symphonies.

Fritz, as much as I would adore seeing you and Joan, I cannot be in Minneapolis on April twenty-second. The events of the last few days have left me bone-tired and weary of travel. This weekend I plan on doing nothing but resting and driving through the hills looking at glorious stands of wildflowers! Then it's back to a schedule chock-a-block full of commitments here in Texas.

With heartfelt thanks and warmest wishes,

and dear affection
Lady Bird
