

J. P. Morgan & Co.

P.O. Box 3036.

New York August 17th 1897

My dear Mr. Hill:

I hear that the talk about Underwood has rather puffed him up with a sense of his own importance. Might it not be well under these conditions for you to haul off altogether and let him get the impression that Mellen is going to work without him.

We could then probably

get him a little later
on

Yours very truly,

C. A. Foster
