There has been persistent buying all classes Northern  
Pacific securities all week. It is evident something  
is in the air. Have asked Fitzgerald whether  
he knew <sup>of</sup> anything within Adams Committee.  
He appears to know of nothing, but expresses  
belief that Adams and Morgan are getting  
ready to bring out an independent  
reorganization plan. I give you this  
for what it is worth. Is there any  
likelihood of early Supreme Court  
decision. Kindest regards.
