Dear Sir:-

I have received a letter from Judge Young this morning, who was associated with me in the Pearsall case in the Circuit Court, and thinks he should have a further allowance for his professional services, say \$500, in addition to the retainer previously paid to him. Judge Young was with me and co-operated in the argument in the Circuit Court, and I think in view of the importance of the case and his professional position, his claim is reasonable, and I would recommend its allowance. If you will send me a check for him for \$500, I will pay it to him upon receiving his receipt in full.

Yours &c.,

Henry J. Horn
