Dear Mr Hill

I have received from
JW Sterling and the check for
F.V.V., and made the
same disposition of it as
of others. I shall make
a payment of \$250,000.
on your account May
4th and for Sterling
the next day, which
I understand completes
the transaction so far
as Cash payments are
concerned, no questions

are asked or answered
except one or two from
Hailmy who is satisfied
that I am acting as
a Banker, and of
course that is all
there is to be said

Business continues dull
here. Nelson sent me
copy of your telegram
about Chas. Carter Drayton
Counseling etc. but so
far there has been no
occasion

Yours truly
W. B. Cannon
