Hamilton Smith leaves New York today for
Anaconda to examine property. Haggis is
old and infirm with ~~no business sense to follow~~
extravagant family and no business head
in it. He owns ten ~~acres~~ ^{acres} William
Hunt Estate six thousand millions. Daily five
millions six hundred thousand. Exploration
Company have sold seven and half millions.
Daily says property never fully explored but
has twenty years in right. Will pay ten per
cent - one forty millions and leave good surplus.
He offers access to banks and mines to unify

his statements and report which you saw
by any experts we choose; ~~and~~ ~~James~~ says
the fuller the expert examination the better it will
show.

Daly wants to keep his interest but
dislikes ~~the~~ Israel - ~~James~~ - I think we would gladly join
syndicate to buy Haggin or both interests. Haggin
with Dalys pooled would give actual control.
I expect to meet Kennedy on Saturday
on way to Ansonia. If yourself and friends
decide ~~I think~~ are sure Daly would pool
his and buy Haggin at par. Any arrangement
you see fit could then be made with Exploration Co.
Feel sure - Kennedy and James would join
