

Monday P.M.

MINNESOTA CLUB,
ST. PAUL.

[Jan 26, 1897]

My Dear Mr Hill

I am
in the unfortunate position
of knowing too much, &
yet too little mean
as to which way you
may decide regarding the
matter we discussed the
last night I spent at
your house, would I be
asking too much to
ask you if you come
to a decision while
in N.Y. to give me
simply "Don't sell" or
"Do sell" as the case

may be, I have struggled
along so long in this
matter that I should
dislike exceedingly
to get left on the
home stretch - I have
orders in now to sell
at certain prices
that I would as once
countermanded, if you
decided the way I hope
you may -

You would place
me under additional
obligations, in addition
to the many I am all-
ready under for past
kindnesses in the

some line, if you would
Keep me advised when
you reach a definite
conclusion -

Saturday night it was
32 below, Sunday 28
& today about 22.

Yours truly

C. Livingston
