J. Pierpont Morgan Esq
New York City

Dear Mr Morgan

As I am tomorrow at 12.00
it is necessary for me to see you today in
regard to some matters which I think you
may not be fully informed in re the
Pacific affairs. The recent decision of
the Supreme Court of the U.S. in the Nebraska
Case has opened up some questions in
regard to the N. Pac. of the greatest moment
to that Company and to yourself and your
board whose direction the recent reorganization
of the N. Pac. was made. Kindly
be time today when I can explain the situation
and if you think well Mr Stetson might be
called, as I think you will desire to take your
position towards pushing a remedy for the
present situation
Yours very truly
Geo. J. Hill
