

## *ANOTHER PACIFIC LINE.*

**It Is Said President Hill Will Put Steamships on the Ocean.**

MONTREAL, July 4.—It is learned here upon the best authority that President Hill of the Great Northern road has for some time been preparing plans for a line of Pacific steamships to be established in connection with that road, and to be run in opposition to the Canadian Pacific Steamship line, and that the new scheme will be announced at an early day.

It is also learned that the Great Northern people have already agents in China and Japan looking over the land there, and that all the plans are being rapidly perfected for a monthly service between Seattle and the Asiatic ports decided upon.
