J. M. BOHRER,

Produce \* Commission \* Merchant.

278 East Sixth Street.

Dear Sir;-

I am making an effort to get the appointment for the office of Dairy Commissioner, and will need all the help I can get from my friends.

If you will kindly give me a few lines to Governor Nelson, if only to say that you think I will fill the Office satisfactory, you will do me a great favor which will be highly appreciated by me.

The appointment will be made early next week.

Very Respectfully Yours;

*J M Bohrer*
