I hear that you have sold Allen,
and write to ask if it so, who bought him, the P. O.
address of the parties, the price, and at time he made
while you owned him, if I might see what you expected.
My interest in following his history is my apology
for these enquiries, if you wish any of them to be considered
confidential, please say so, and I will regard them
as such. Having raised him and his ancestors for several generations,
and believing him to be one of the best horses ever raised
in Vermont, I am curious to learn all I can of his history,
and to follow the records of his stock. I still own his
dam & sister, and his colt H. M. Stanley, who will be 5 yrs. June
is 16 hands and 1200^{lbs} strong, a beautiful, stylish colt and has
Allen's gait, and is remarkably docile & playful. He has
grown so fast this last year that I did not have him
trained. Hoping to hear from you soon I remain

Very truly Yours
