

Bread Loaf Stock Farm.

Middlebury, Vt., 1 - 28 - 1893,

C. C. Larrabee Esq.

Dear Sir:—

The Morgan Register is now in the printers' hands. The scope of this work can be seen from the enclosed card. We are anxious to secure for our illustrations photographs from life, if possible, but any likenesses of typical Morgans may perhaps serve the purpose if photographs cannot be obtained. We particularly wish to secure for reproduction pictures of stallions, and desire also pictures of the most promising get of each stallion to group with him. We are glad also to get pictures of typical brood mares or driving horses of Morgan inheritance. It is desired that attention be given to the position and surroundings of horses when their pictures are being taken for this purpose. In sending pictures, please state name, breeding, age, and trotting record, if any, of the animal, or animals, if more than one are in the photograph. Will you kindly aid us by a prompt reply, and also bring this matter to the attention of any friends or acquaintances who may be interested.

[SEE OTHER SIDE.]

Will you kindly send
pictures of some of your
choicest stock and oblige

Truly yours
Philip B. Stewart

Rules of Admission to Morgan Register.

The Register is intended to include all stallions of merit that trace in direct male line to Justin Morgan and having at least one sixty-fourth of his blood. All such stallions foaled in or before 1880 are admitted free. A fee of one dollar is charged for registering each stallion foaled since 1880, and for each mare whenever foaled.

Any animal in either of the following two classes is eligible to registry in the Morgan Register:

1. Any meritorious stallion or mare that traces in direct male line to the original Justin Morgan Horse, and has at least one sixty-fourth of his blood.
2. The produce of a sire and dam both registered in the Morgan Register.
