Iroquois Club ✓

Chicago, February 2, 1893.

DEAR SIR:

It is necessary for the Inauguration Committee, before closing its contract with the Railroad Company, to know how many members expect, and are making preparations, to go to Washington with the Club on March 4th next. Every member will oblige the Committee greatly if they will make a reply of some kind upon the enclosed card and return before the 15th of February. From the list of acceptances we already have we find we can accommodate twenty-five more persons. Any member, therefore, desiring to take a friend and will send in his name with his reply, will be notified after the 15th inst. whether or not his friend can be accommodated. Expense of trip per member, \$65.00. Tickets issued by the Club cover transportation, sleeping compartments in the cars, and meals while in Washington.

Any communications addressed to the Committee will be promptly answered.

Very respectfully,

OTIS S. FAVOR,
FRANK G. HOYNE,
CHARLES S. CRAIN,

Inauguration Committee.
