Dear Sir:-

I enclose a letter just handed me by Mr. Tod, from Senator Pettigrew; also a page from the "Sundry Civil Appropriation Bill", and a page from "Congressional Record."

I cannot, without additional data tell in what way this affects us at Great Falls, but Senator Pettigrew seems to think that you ought to be advised regarding it, in order to get hold of Gorman and Holman.

Yours very truly,

Carl F. Schurz
