In speaking to you
 of my indebtedness that day, I never
 thought until I was out side that
 the mortgage I spoke of was for
 five hundred dollars and the
 two thousand dollars is on a note
 and held by Mrs Thomas Boeman
 in the excitement of meeting you
 I did not think of that so thought
 I would take the liberty ^{of writing} you to
 explain thanking you for your

great kindness to us. I remain
Very Respectfully
Mrs John Boym^{na}
