

IN THE MATTER OF

LAW OFFICE OF

YOUNG & LIGHTNER,

24, 25 & 15 GILFILLAN BLOCK.

ST. PAUL, MINN.

Feb 16 1893

My dear Mr. Hill:

Mr Harlan, on behalf of Kirtson heirs, has been with me this morning. He makes a suggestion which, if the court should act on it, might remove the objection to his taking part in the argument of Farley's case. If agreeable to you I will bring him to see you at about 3 o'clock. He is a son of Judge Harlan of U.S. Sup Ct & appears quite well. Please answer at once -

Yours truly G B Y
