Helena, Mont. July 1893

James H. Hill Esq
Saint Paul,
Dear Mr Hill:Pursuing your favor 13th inst:-

On the 15th inst: I wrote you transmitting copy of commⁿ addressed by me to Mr Cannon giving condition of estate & submitting to be reviewed, the fact that the only marketable asset now to dispose of is stock of J. H. W. & P. Co. & requesting that you either use your influence to have Mr. friend review paper for me, until such time as it will be convenient to reduce indebtedness, or aid me in disposing of the stock mentioned.

Regarding the cattle, am not apprehensive of a serious loss, the estate animals are native, the heavy loss has been in Pilgrim stock driven in during past year.

I remain your honest servant
showing where the stocks are placed, as collateral in Mr. as stated in my last letter, my desire is to hold on to J. H. W. & P. Co. stock, in accordance with your advice, but if Mr. creditors must have money when paper

most mature, April 1st \$100,000. & July 1st \$350,000.
cannot do otherwise than dispose of it.

Mrs Broadwater Family, excepting C.C. who is doing
admirably from all accounts, at school, Sing Sing M.
are in Cal. the D here insisted that Mrs Chynoweth
must be taken away, she is in very delicate health &
am sorry to say is a great sufferer where she is,
Redondo Beach, with asthma, & it is possible they may
have to repair to the interior of the state in search
of relief for her.

With kindest regards hoping that
I may have the pleasure of seeing you at an
early date.

I remain
Very truly yours

J. M. Enloe
