Room 57, Great Northern Railway Building,  
St. Paul, Minnesota.

Dear Sir:

I have this day received information that convinces me that Allen was foaled in 1879 instead of 1880, as given, and therefore he is one year older than I supposed. This was unknown to me previously and I hasten to write you at once as I do not want any misapprehension in the matter. It does not make him worth a dollar less, for he is like a colt now and if properly taken care of is good for 15 years at least and perhaps longer, as he has a wonderful constitution and great individuality. I have just received a letter from Mr. M.C. Dorman, Swanton, Vermont, to the above effect and shall forward same to Mr. J.H. Steiner, Registrar of the American Trotting Register Association.

Yours truly,

C. K. Larrabee
