Dear Mr. Hill:-

This P.M. have received telegram from Mrs Broadwater, Redondo Hotel, Redondo Beach, Cal^a, saying her Father, Judge Chynoweth, died at 3 O'clock, he had Pneumonia, yesterday morning telegram said there was slight chance of his recovery, not hearing anything in meantime was congratulating myself that no news was good news that silence indicated the Judge was improving.

Our apprehensive Mrs Chynoweth may not long survive her husband, the family went to Cal^a on account of his health, by positive instructions from Physician here, who insisted she must be taken to a lower altitude, she has not been improving in Cal^a, on the contrary has been a sufferer constantly from asthma, which did not affect her so painfully here.

On account of Mrs Chynoweth's condition do not imagine the family will return here now.
Yours very truly
R. L. McCullough
