Mr. James J. Hill,

40 Wall St.,

New York, N. Y.

Dear Sir:

We have, in conjunction with the Hoosick Falls Co. rented a house at Chicago during the World's Fair period, the idea being that the rooms in this house shall be occupied by the different people prominently connected with the two companies, they paying for such accommodation a fair compensation, and the expectation is that the amount received from rent of rooms will nearly, if not altogether, bear the companies harmless.

Mr. Driscoll has expressed a desire to occupy some rooms, and has suggested that you might, possibly, like to do so, also.

We simply bring the matter to your attention at this time that you may think it over. You need not go to the trouble of replying to this letter.

Yours respectfully,

WALTER A. WOOD HARVESTER COMPANY

P. S. Macgowan
GENERAL MANAGER.

To The Stockholders,

Walter A. Wood Harvester Co.

Referring to the enclosed notice of the annual meeting of the stockholders of this company, to be held on March 1st, next, we beg to say that, owing to the limited room in the offices now occupied by the company, it is expected that the meeting, immediately after its opening, will be adjourned to the rooms of the Jobbers Union, corner Third & Jackson Streets.

After the final adjournment of the meeting, the stockholders are invited to visit the new plant at Hazel Park. For this purpose, the Chicago, St. Paul, Minneapolis & Omaha Railway Company have placed at our disposal a special train, which will convey the stockholders to Hazel Park and bring them back to the city after they have inspected the works.

The management is anxious that as many as possible of the stockholders shall avail themselves of this opportunity to inspect what is considered by competent judges to be the finest and most complete manufacturing plant of its kind in the country.

Respectfully,

WALTER A. WOOD HARVESTER COMPANY.
