OFFICE OF

United States Commissioner,

Bismarck, D. T.,

1874.

Comme...

Get - I sent it - to him by Charles
Ruffee where I was down - write
to him for it - if he has not re-
-turned it - get it - I send it - to
me. Also send me a roll
of Papers, which I left in Gen's
Samborn's office - Copies of the
Evidence put in at Pembina.
Better send by express. if the
trial or re-hearing is to come off
this fall. - I think it is best to
have it come off as quickly
as possible - for Maunder says
the R R Co & P R Co. want to put
it off until Spring if possible -
M - thinks a great deal of Gen. S.
I wish the Genl would write
him a friendly letter. & give me
a lift in it. I want to approach
him & and am confident I can
do so if he thinks that he can trust
me. Of course he don't want to take any

Chances. B. is all right - he "didn't
come up here for his health" -

You need not fear Proctor - I say
says he will - Case for him & says he
has got "some" hitch on him - don't
know what it is. but I want you
to write immediately to the Land Office
of the Land Office at East Saginaw
Michigan - and ask them of ^a ~~one~~
person by the name of Jas. W. Smith
or John Smith - or ^{if you} ~~pro~~ Proctor ever
homesteaded or pre-empted 80 or 160
acres of land through these offices
in the township of KawKawlee,
Bay County, Michigan - or in any
other place in this District - what
it was and all about it - write
so as to get an answer immediately
and if yes - telegraph ~~me~~ immediately
what it was - (need not mention names
in your dispatch or place) I shall under-
stand it - I had a square talk
with him today & he swore that he
never pre-empted in his life - but that
he did homestead 80 acres at the above
place under the name of Jas W Smith
in 1871. Write the officers above named
immediately - and also write the Sec.
at KawKawlee - Bay Co. Mich. mentioning
Eugene about Jas W Smith & J. W. P. - write
to him as though you thought they were two
distinct persons - & send me the result
